THIS IS OUR WORLD

Bob I really don't know what to say but any time a paper is due you have a super beautiful life because you certainly deserve it. Thank you for being my friend. It's been a real great year. Do you better like and keep in touch Okay?

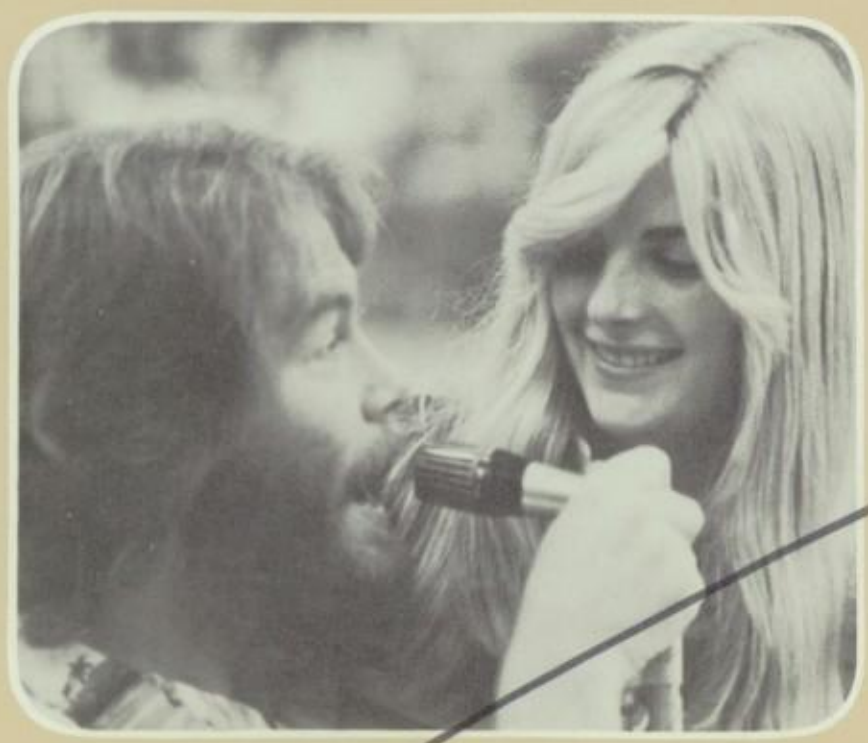
Love

P.S. Please remember me

BOB

I Hope I can teach you to surf before you kill yourself If you ever have problems with your car or bike look me up See you at the party!

Mike Olsen



Bob, I'm gonna miss you. Lotsa luck in the future - you're gonna need it! Thanks for inviting me to your Graduation party but sorry I couldn't attend. Kill me if I found up. Besides I'd ruin your party. When I pass the Army for myopia I'm going to sing to keep in touch!!! Lotsa love Mrs. Perez

Dedicatee

There is a man on campus who has earned the respect and admiration of both students and faculty for his capable and friendly manner. His involvement with students has encompassed positions as teacher, coach, advisor and now counselor. Each position has been competently filled. His active interest in the individual is apparent to all who have been in contact with him in any of his capacities. He has a rapport with students that makes him one of the more well-known and well-liked persons on campus. His dedication to his job as educator and his relationship with those around him have contributed to the decision of the yearbook staff to dedicate the AMANECER '77 yearbook to MR. BILL RUFFNER.

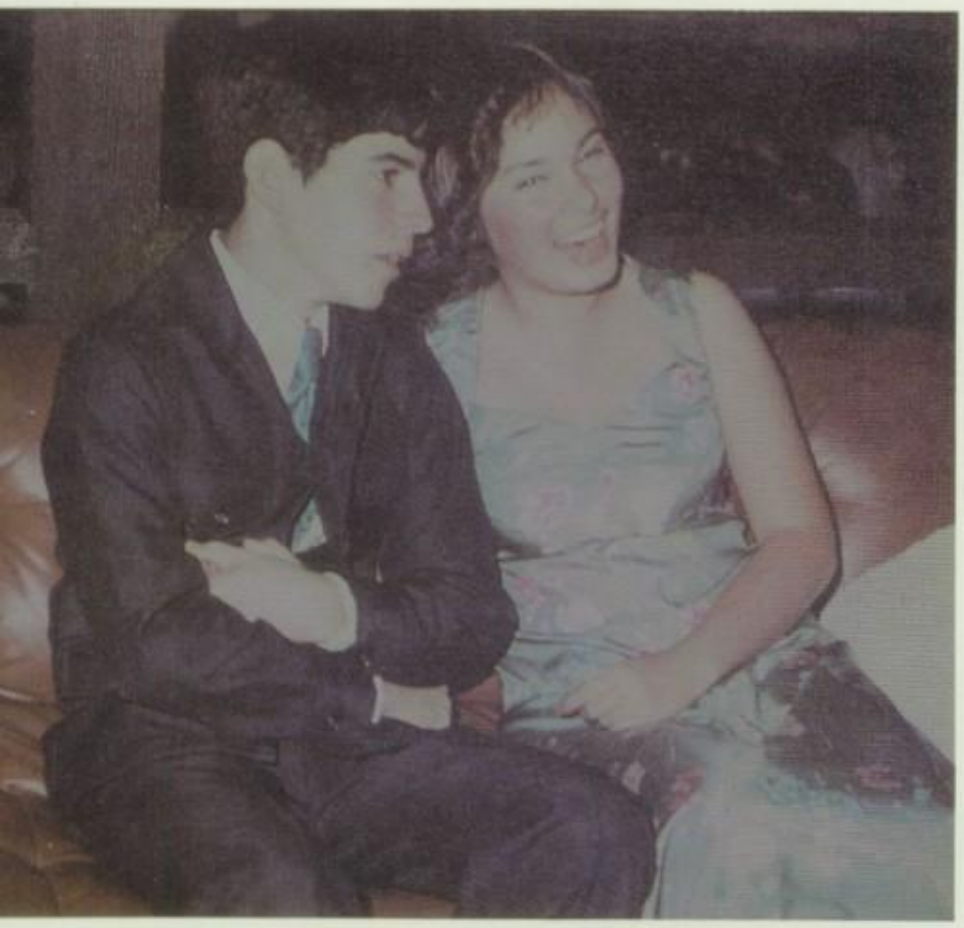
OMECOMING '76-'77



As El Toro saw it's fourth year in existence pass it also saw it's second homecoming game. As everyone anticipated the half-time activities the Varsity team fought, full of pride and the taste of victory, against the adversary. The Half-time activities saw Angela Cheap crowned the second Homecoming Queen by last year's returning Queen, Lori Wing. The princesses that made up the Homecoming court were Cathie VanLiew, Hope Moylan, Lisa Patterson and Michelle Dramis. In honor of the game, a Mission Victory Dance was held the following night to the theme "Dancing in the Moonlight."

I was very excited when they announced I was Homecoming Queen. Nothing like that had ever happened to me. It was more like a dream come true. I feel very honored and will always try to live up to an image worthy of the title.

Angela Cheap

The team was really great! Everyone was in great spirits and smiles filled the building as we "danced in the moonlight."

Leah Blood

"Wow! This is just like Jr. High!"

The Bobsy Twins

There is one week out of the year when students and faculty are encouraged to let their imaginations run wild. This week is Spirit Week, and it is full of every imaginable kind of competition. Unfortunately, rain moved this year's concluding events inside, but that did not hamper the enthusiasm felt by everyone.

A lot of people worked hard on organizing Spirit Week, and it was sad that the weather changed. I loved the class dress up days! I've been looking forward to Senior Day ever since I was a freshman, and now I'll miss it and remember it always.

Lori West

I was impressed with the costumes each class turned out this year. The "spirit" that accompanied these costumes was fantastic!

Kent Schmidt

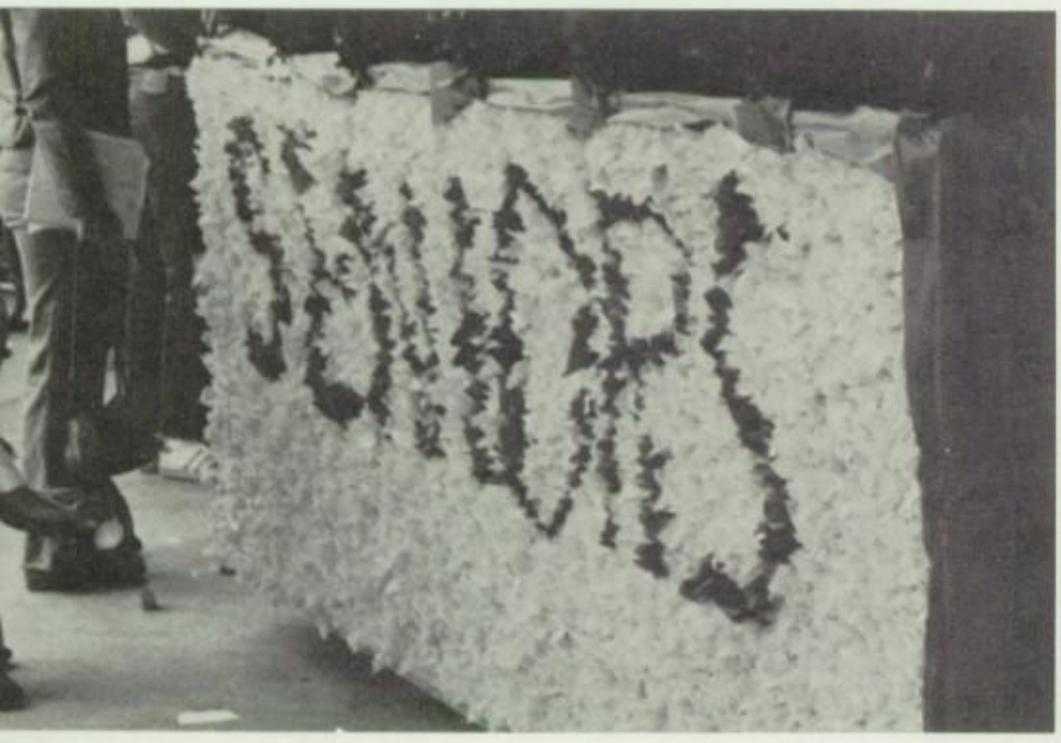
"Hurry up, Signe."

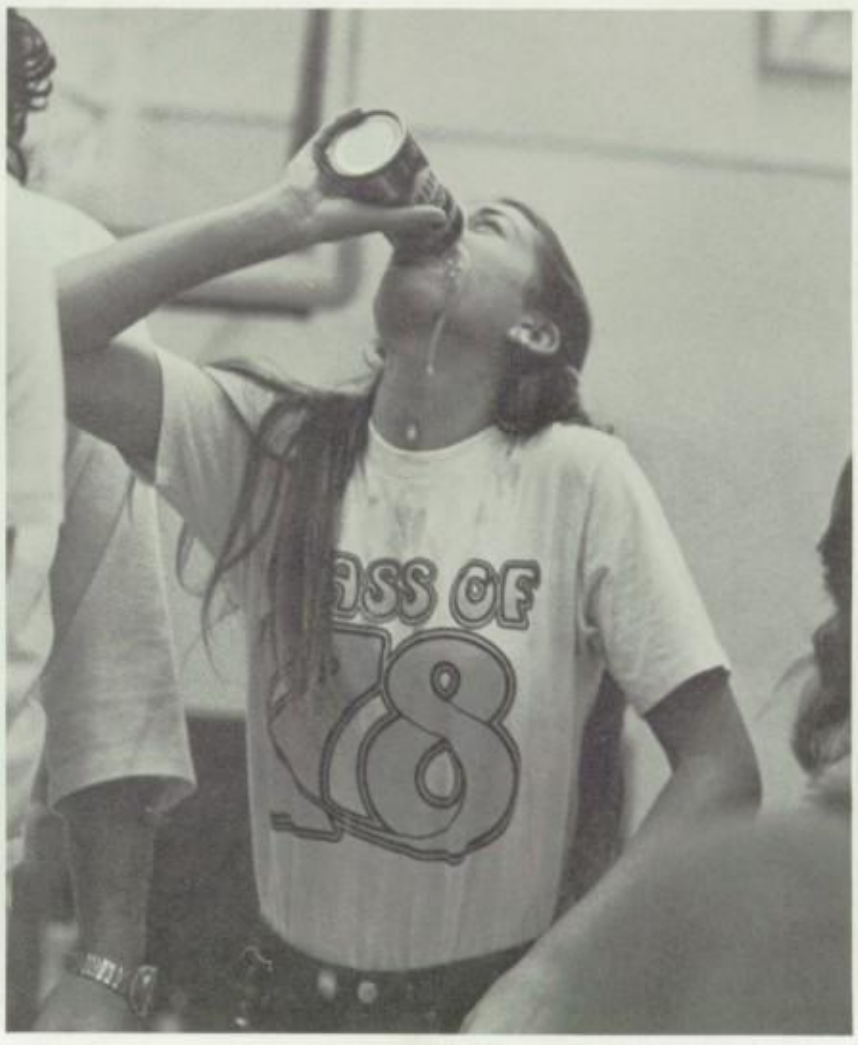
One of El Toro's better looking Seniors.

SPIRIT WEEK

In whose opinion?

'79 makes the sun shine!





SENIO

The Class of '77 lived out second childhoods on their Spirit Day in the tradition of past seniors. Diapers, rattles, teddies and bottles were seen everywhere there were "babies." The Seniors began their day with an extensive redecoration of the campus using different colored bathroom tissue. The display of spirit began in earnest with games like tag and red rover. The quad was overrun by "toddlers" participating in various kiddie games. At the end of the day, the "babies" undoubtedly fell fast asleep in their jammies.

Senior Spirit Day, along with all the others, was a big success. I feel that we succeeded in doing what we wanted, and according to the return from most of the Seniors, they enjoyed it, too.

Dale Schudel

Most Seniors were too tired after school to go to Lord Byron's.

Frances Griggs

"Have you seen my blankey?"

Raggedy Ann and Andy visit El Toro.

Faces only their mothers could love.

Ron displays his talent on 50's day.

Red lipstick, leather jackets, saddle shoes and pony tails were seen on Tuesday as the Junior Class relived the 50's era. Elvis and his group were on hand to help the juniors celebrate the marriage of Fonzie and Pinkie. Dance contests, rumbles and other activities kept the Class of '78 hopping all day and led them on to capture third place overall, finishing one point below the Sophomores.

I think it's a really fun day because you get to do so many great things. Everyone participates on 50's day!!

Cheryl Glazier

This is one day that you always look forward to and will never forget!!!

Melody Kronenberg

"I wonder what it would take to get a date with him?"

JUNIOR

OPHOMORES

The Roaring 20's returned for a day as fringe, beads, pinstripes and knickers came back in vogue. Gangsters, complete with moll and Packard, looked on as the flappers demonstrated the Charleston and other such dances during snack and lunch. There were a few John-Boys walking around, but the more notorious costumes were the stars in this old-Hollywood style production. Coming a very close second in total spirit activities, the Sophomores showed what they were made of by giving a good fight for first place.

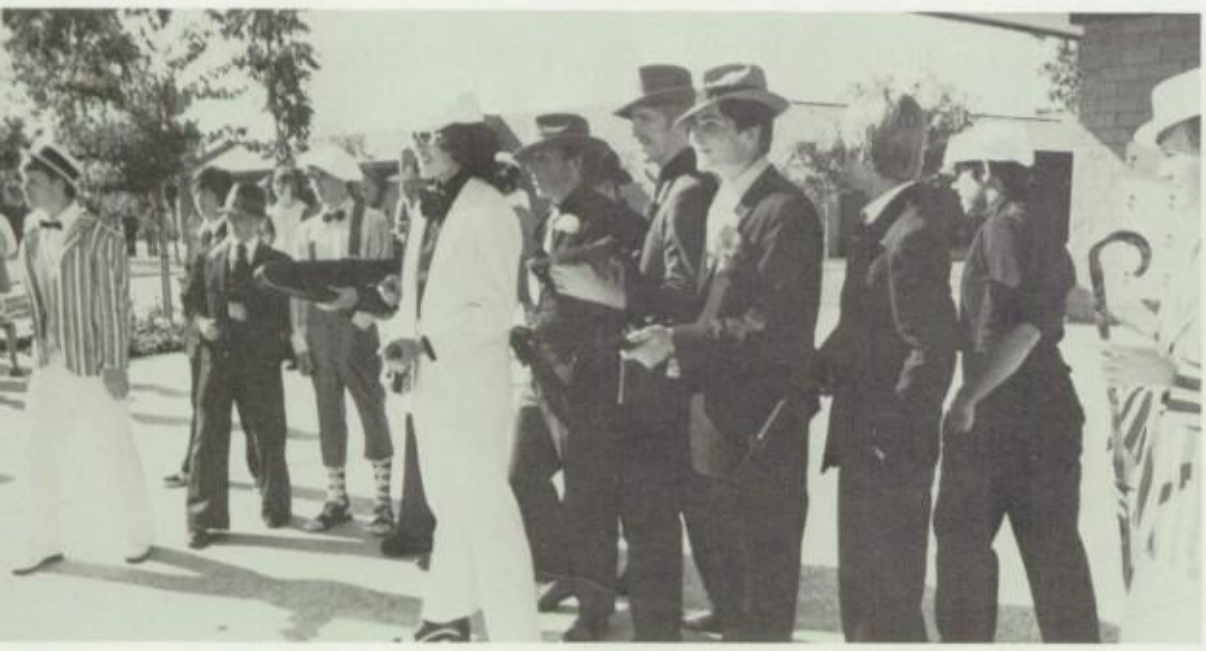
Sophomores check out the free cake

It was the classiest dress-up day I've ever seen, and so many kids worked to make it fun and rowdy. The costumes were hard to dig up, but it was fun getting them together.

Teri Gasporra

I thought that the dances that a number of the Sophomore girls did were very original and well-planned. Also I might add that the guys that dressed up added a lot of class to the Sophomore Spirit Day.

Sharon Wood



"Aw right, you guys."

FRESHME

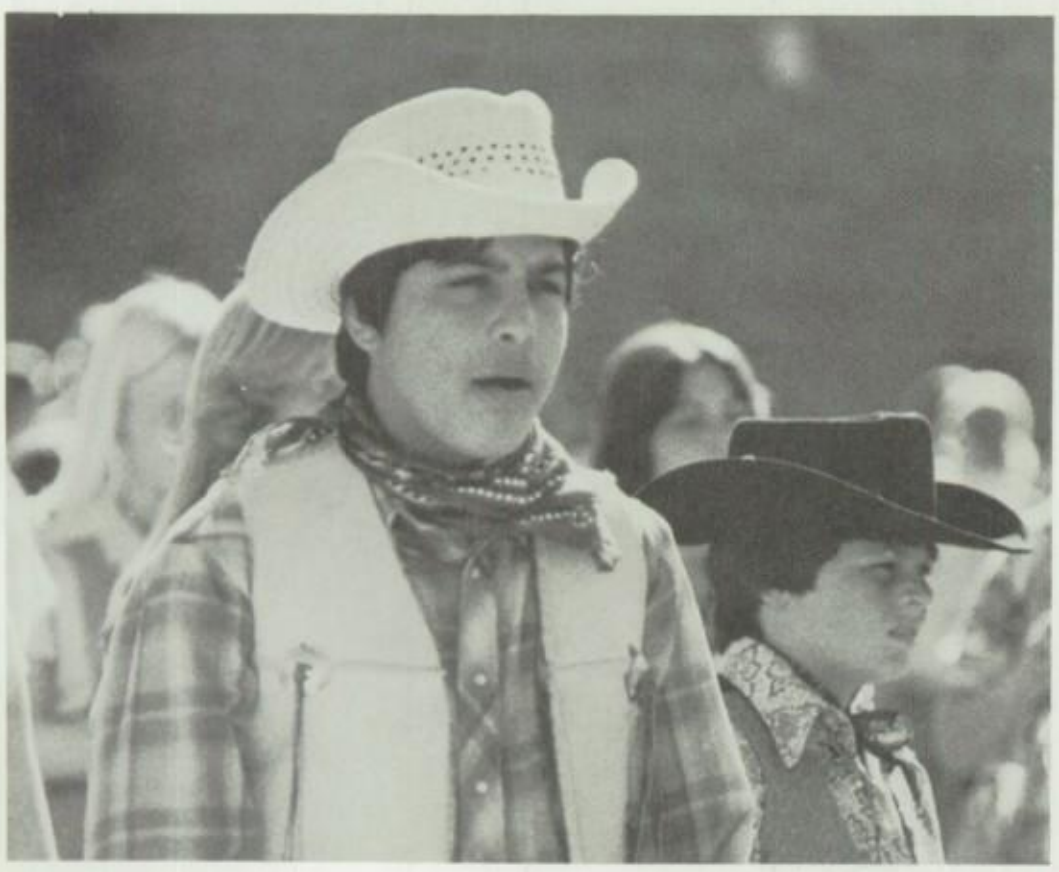
"Giddy up" was heard throughout the school as the Freshmen began the Spirit Week activities on Friday. Dressed as cowboys and Indians they filled their day with a showdown and a saloon girl beauty contest. These same able bodied settlers of the "old West", lassoed fourth place in overall spirit competition the following Friday.

I'm glad a few Freshmen dressed up and showed their spirit. It's kind of hard to have to go first.

Jeni Hutter

Most Freshmen just couldn't dress up. You never know whether you'll be laughed at or not, and that includes myself.

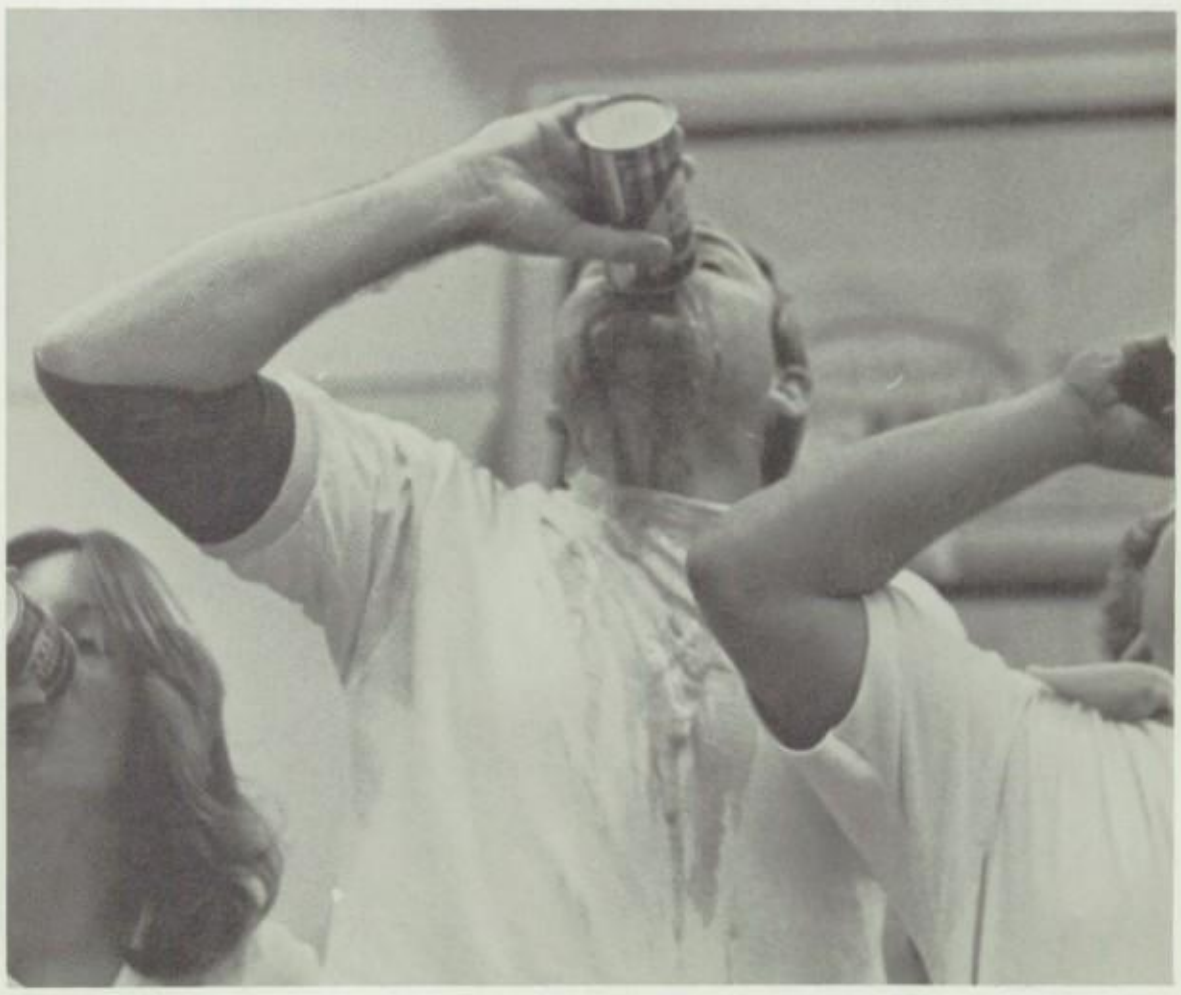
Chris Hicks



"He's not taking my picture, is he?"

"If I ignore him, maybe he'll go away."

"Now you're really going to get it!"



Taking part in spirit activities has always been a strong point of the faculty. Thoughtful consideration went into the costumes that represented the departments on faculty dressup day of Spirit Week. Fun was had that rainy Friday by not only the teachers, who were able to get into the act with the students, but also by the students, who were quite amused.

Jon Johnson as a tree was outstanding...Kent as Einstein...Me as a frog.
P. Sisel

I enjoyed our dress-up day—more teachers should try it. Dignity is out that Friday.
W. Helms

EACHERS

PEP ASSEMBLIE

More bodies had to be fit in the gym on only four bleacher sections, but the enthusiasm and enjoyment were still great. As the majority of the school looked on, with Freshmen sharing the gym floor with the entertainment, the familiar class competitions grew loud and lengthy as each strove to outcheer the others. Skits and Mr. Osborne helped to promote spirit through their zany antics, the latter being a shock to many uninitiated students.

I think that the pep assemblies are really great. They help to bring out the spirit of the school and give the student body a chance to express their feelings about ETHS.

Jenifer Grigg

I think the pep assemblies are fun, and they are well-organized. The cheerleaders have good skits, and Mr. Osborn is always funny. Class competition is always fun, too.

Cynde Statler

"YEA!"

Now Lester...!

Careful, Bob!

PA PA DO RUN RU

The popular band Pa Pa Do Run Run returned to ETHS in the year's first assembly, which was also the school's first split assembly. The bleachers vibrated as feet stomped, hands clapped and bodies swayed in time with the well-known Beach Boy tunes. Many in the stands also sang to "Surfing U.S.A.," "California Girls" and others, as did some reminiscing teachers. Their concert the following night provided a chance for many students to get up and dance to the music that is so well-liked.

The students all enjoyed themselves, but the teachers seemed to cringe at the "blatant" sound of the band, which, incidently, was only minor compared with the thousand pairs of hands drumming away at their desks the remainder of the day.

Luke Strockis

Pa Pa Do Run Run was great! But I had first assembly and it was sort of hard to come back to fourth period to mellow out.

Sylvia Shadle

"Ba...Ba...Ba...Ba...Barberann."

Pa Pa Do Run Run rocks steady at El Toro

"Play louder?"

Ken, contemplating a pass (as usual).

Everybody gets in on the act at El Toro

Co-recs have traditionally had good attendance while providing fun activities for students. Informal and multi-faceted after-school events, co-recs include games like volleyball, badminton, ping-pong and basketball, which are played for the first hour or two, sans shoes. The rest of the time is spent dancing. Held throughout the year, co-recs are very popular and have helped fill many otherwise empty nights.

I like the dance parts of them. The Halloween co-rec was really fun.

Kathy Cunningham

I think it's great that students can get together on a Friday or Saturday night and have fun at school (a miracle).

DIARY OF ANNE FRAN

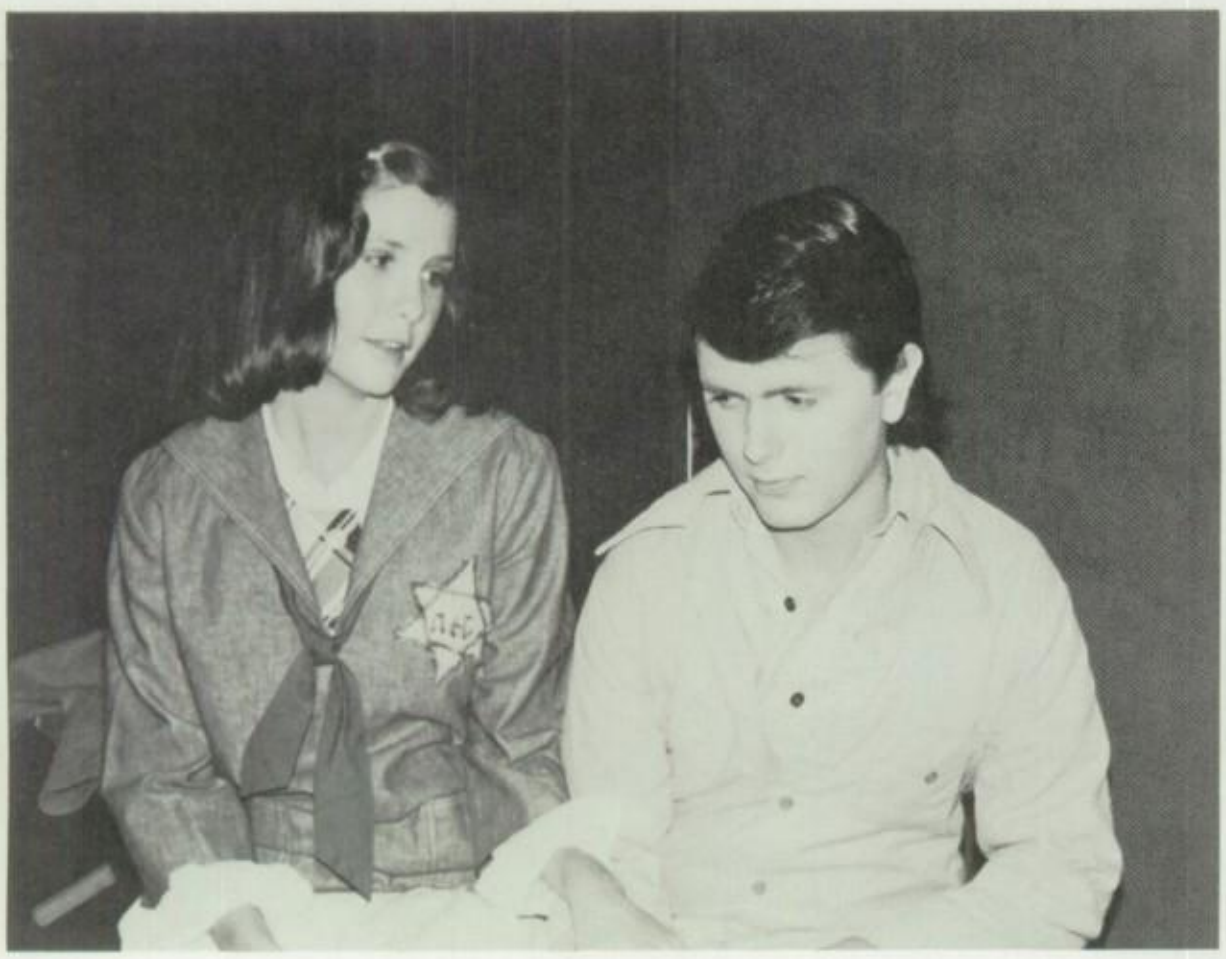
The "Diary of Anne Frank" was excellently presented by the drama department. Each character was memorably portrayed as the audience was taken through two years in hiding by a Jewish family during World War II, as told by a young girl in her diary. The essence of the tragedy combined with light, humorous moments was captured quite well. The real-life drama of escaping persecution when seen through the eyes of a maturing girl is lightened quite a bit, but it is her light-heartedness, her youth, that makes the tragic end even more tragic.

"Diary of Anne Frank" fulfilled a life-long dream to be an actress. Hearing the claps and congratulations of the audience made the late night rehearsals worth it. I will never regret all the hours of sleep I lost rehearsing or studying lines.

Leah Blood

I felt the play was very well acted. They took a very difficult subject and managed to produce some humor into it...

Patti Tyler

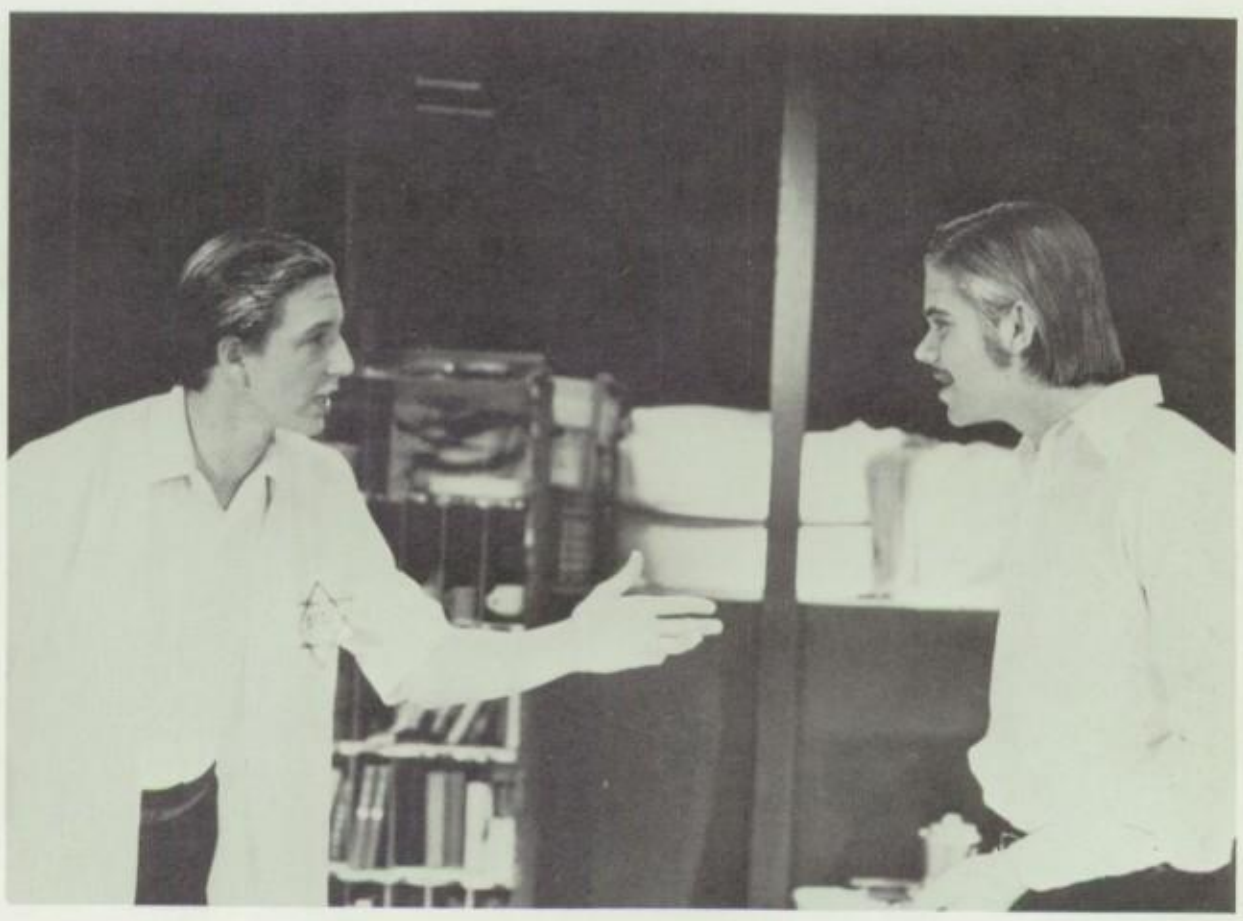


"It's all right, Peter. Everyone feels that way."

"There's so little food as it is!"

"What is it?"

Mrs. Van Daan treasures her coat.



"I expect I should describe what it feels like to go into hiding"

CHRISTMAS FORMAL

Jodee Green
Sophomore Princess

Christy Long
Junior Princess

Hope Moylan
Senior Princess

Cathy Arroyo
Queen

This year's Christmas Formal was held aboard the Queen Mary to the theme "Floating on a Christmas Dream." The luxurious ocean liner made it a very memorable evening for all those who attended. The crowning of the royal court began by naming Jodee Green as Sophomore Princess. Christy Long was named Junior Princess, and Hope Moylan was named Senior Princess. As the tension mounted the crowd broke into deafening applause as Kathy Arroyo was crowned this year's Queen.

I have never been to the Queen Mary, and this made it an experience for me. The setting was beautiful and the atmosphere was one of elegance and romance until they brought out the milk.

Joanna DiGiuro

When the time to announce the Queen came, I could hardly stand still. When my name was announced, I think I went into shock for about twenty minutes. The rest of the evening couldn't have been better for me. I was with the people I love, in an atmosphere that was exciting and enchanting. Naturally the night had to come to an end, but I will treasure it's memory always.

Cathy Arroyo

CHRISTMAS ASSEMBLY

The Christmas Assembly once again sent students off on their two week hiatus from school in a happy frame of mind. The band and chorus under Mr. Hansen and Mr. Rouse, respectively, performed whimsical and traditional yuletide carols, such as the chorus' "The Twelve Days of Christmas" and the band's "March of the Toys." The hearty "Ho, ho, ho!" of Tom "Santa" McKee formally declared the advent of Christmas.

I thought it was great! All the students put on a beautiful assembly.

Jane Ernst

I thought the chorus was terrific. The band played some very nice songs, especially "Silver Bells." The drummers at the end of the assembly were great.

Terrisa Bradford

The chorus sings at the Christmas Assembly.

Members of the band perform.

Play it, Terry

DONKEY BASKETBAL

Sponsored by the Key Club, Donkey Basketball proved to be a great hit. As usual there were some problems in controlling the savage beasts. This year the students emerged victorious, winning the game 56-54 in overtime. This win puts the student-faculty record at 1-1. The many bumps and bruises involved were quickly forgotten, and only the memory of a struggle will remain for the participants.

It was a real bottom bumper!!

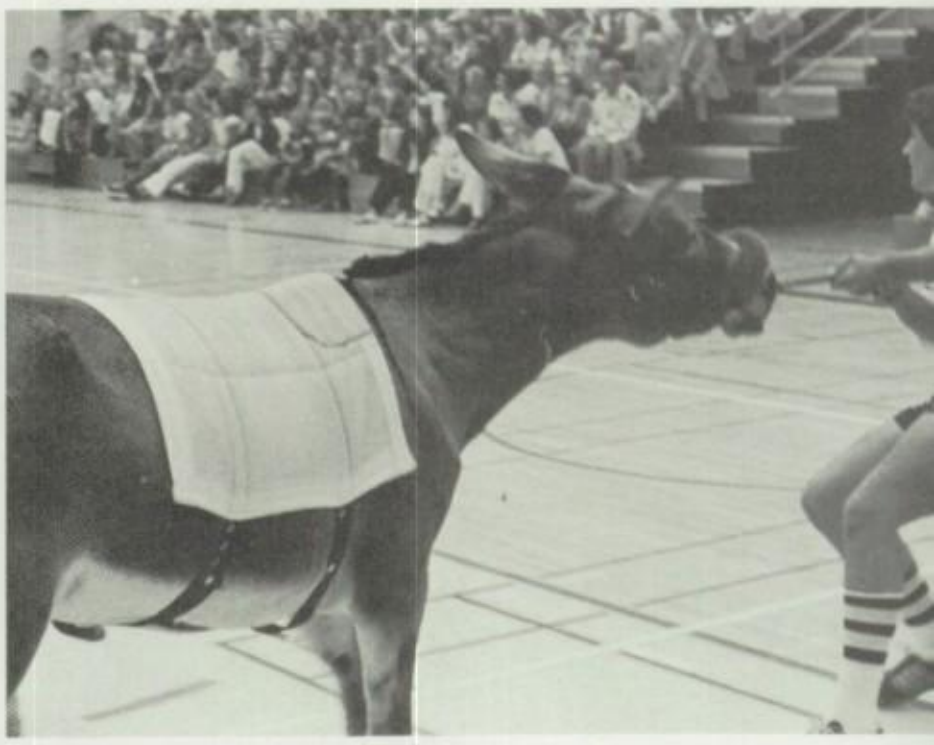
Todd Manion

The clash between the Key Clubbers and the faculty produced spirit and great enthusiasm among us. It was a fund raising activity that will go unsurpassed.

Mark Hill

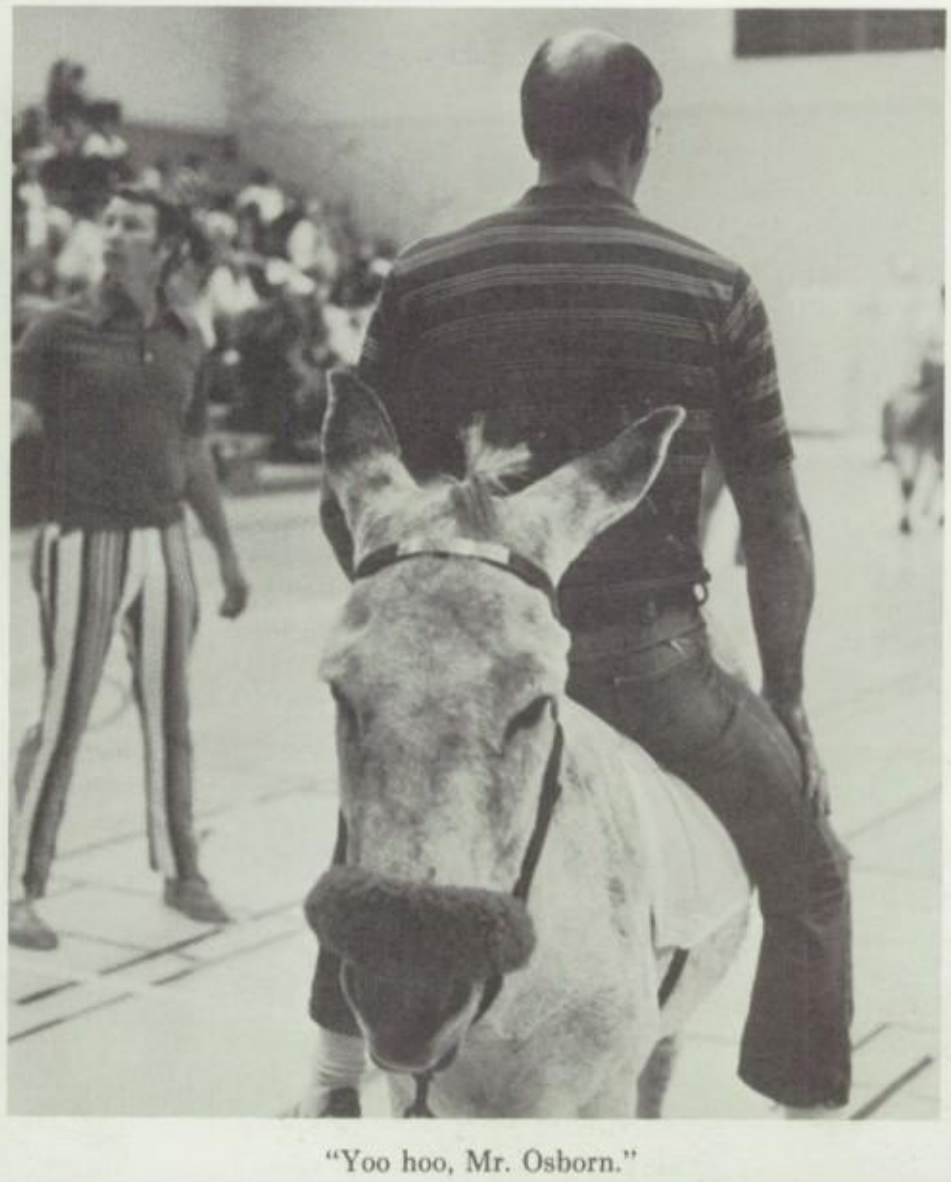
I thought the star of the evening was the brilliant young man who, in the face of the adversary and in the roar of the crowd, calmly jumped on his donkey and passed off for the winning point.

Steve Trejo



"Aw, come on, Cookie!"

It's gonna be a fight to the finish!



"Yoo hoo, Mr. Osborn."

"All right, team, just remember: it's not how you play the game..."

"I think I'm seasick!"

DANCE CONCERT

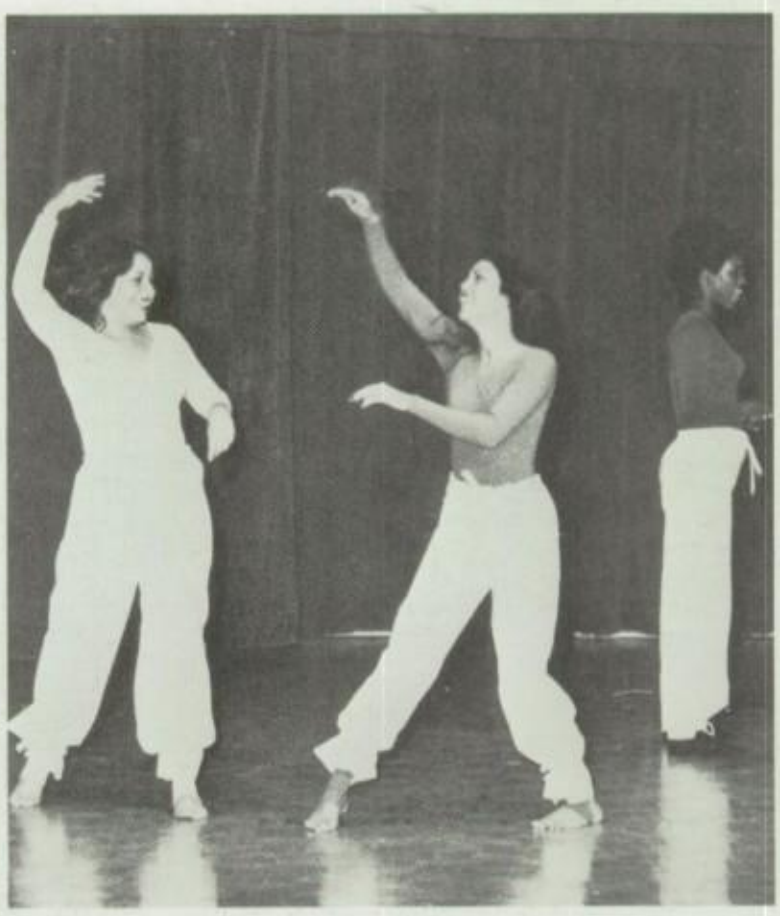
This year the dance class has upheld tradition and produced an outstanding Dance Concert. The theme, Rhythm Odyssey, covered a large variety of dances. Jazz, ballet, African and vaudeville dances were only a few of the student's many productions. The cast, made up of both girls and guys, was very talented and helped choreograph some of the numbers. Director Mrs. Carol Mitchell felt the concert was a huge success and is looking forward to future years.

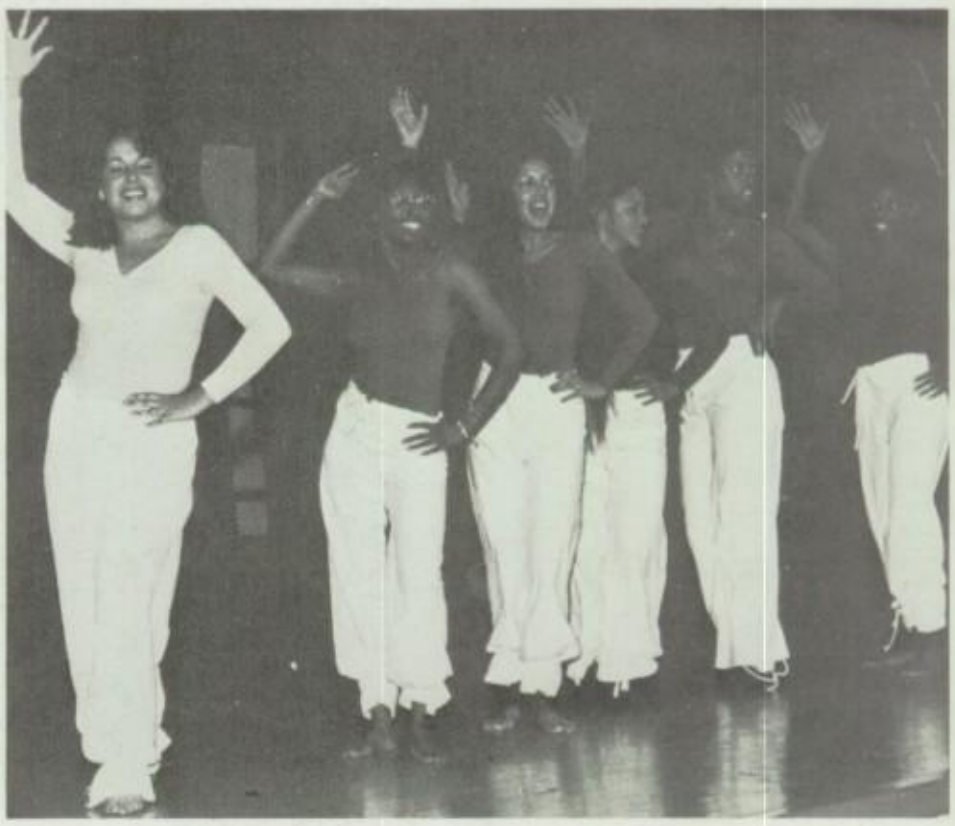
I'm glad to be one of the four guys in the production. It's a twist from everyday activities, and I'm learning more every day.

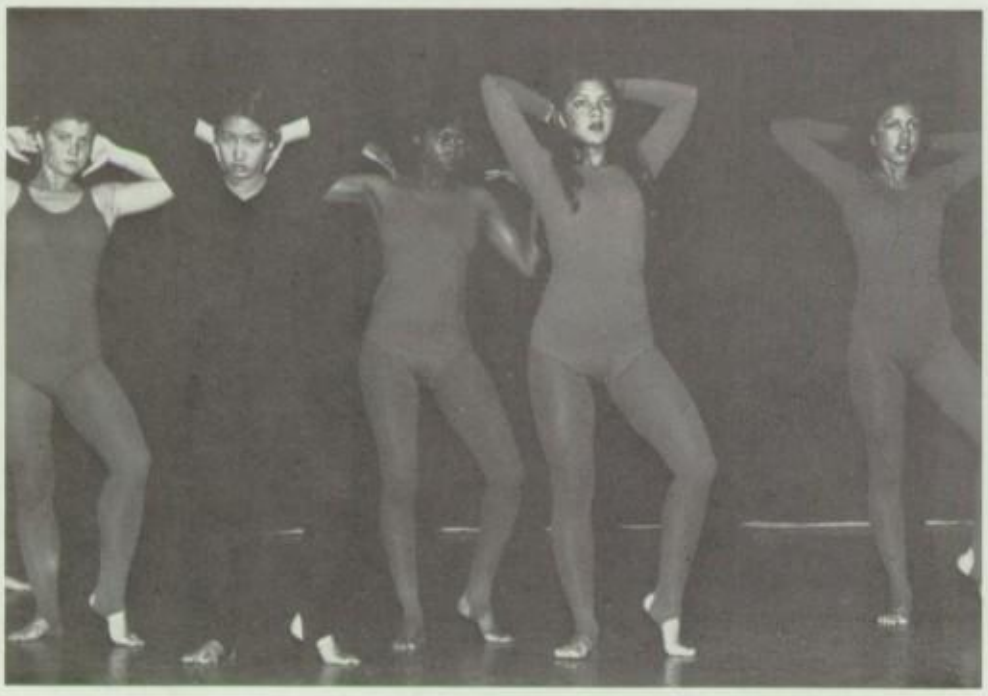
Perry Gentry

We didn't think we would make it but it all paid off in the end. We owe it all to Mrs. Mitchell. Dancers, let's "Do it" again next year.

Sharon Madewell







They're bold and bad.

Senior Sweetheart Gaylene Connally reigned over this semi-formal event as fellow students danced to the group Liberty IV. Even with the good turn-out, there was still enough room on the dance floor for the couples to enjoy the romantic atmosphere of the evening.

The Valentine's Dance was fantastic. I have never had as much fun at a dance as I did at this one.

OPEN HOUS

Each year, one night in the school week is set aside for parents to visit their children's classrooms in the different departments. Teachers man their rooms to greet the curious, and often students will show displays of their lessons. Also, at this time, the Rotary Club presents awards for achievements by students in home economics and technical education.

My room was warm for the first time this semester. Parents I most needed to see were not present. Aardvark and Rawk-Chalk drew more comments than American Lit and Fiction of the Future.

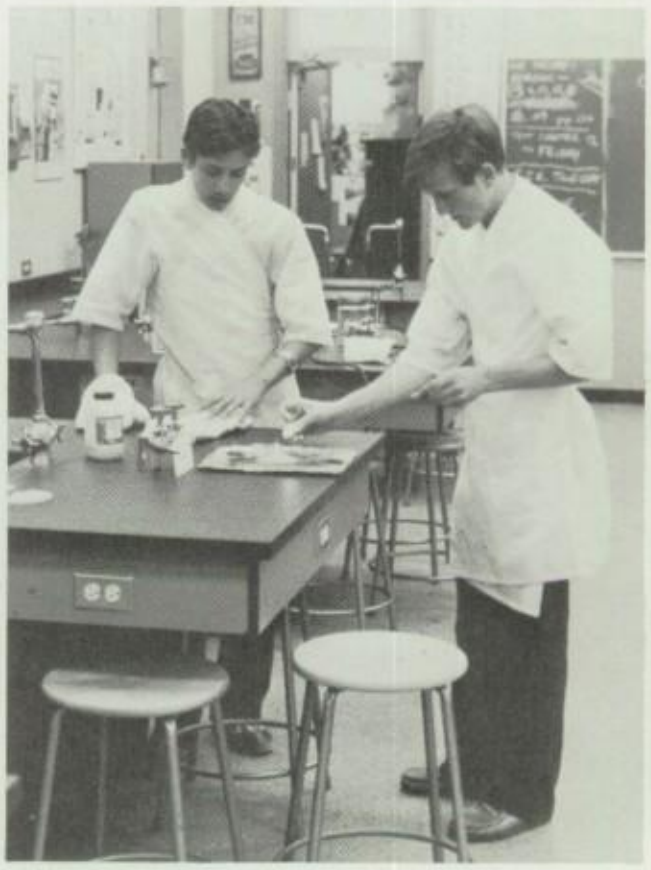
F. Gully

The parents enjoyed the food we provided for them. I bet we had more parents than any other department. (Where the honey is the bees will go.)

G. Quave

Mr. Moore's popularity really comes out at Open House.

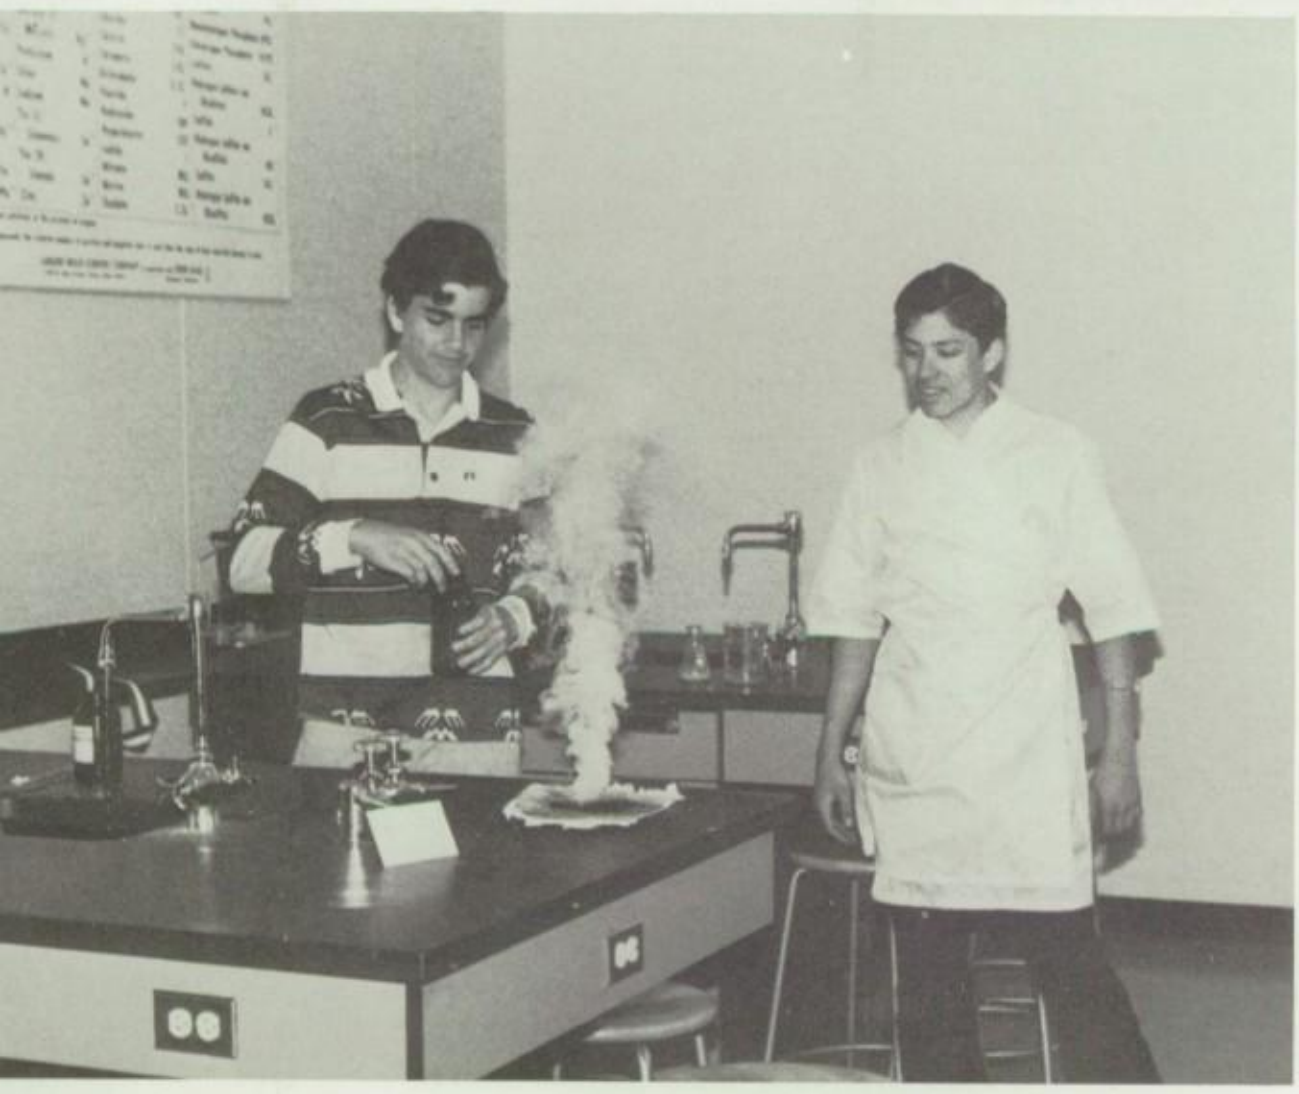
"Hmm ... That looks interesting."



"I'm starting to feel ill."

"These kids are incredible."

This artist sure has a head on his shoulders.



Rotary Club Award winners in home economics and technical education were as follows:

Mary Fickes - vests
Lisa Lottie - coats
Kathie King - knits
Diana Daggy - Clothing I
Bonnie Horn - interior design
Janis Kallberg - decorative home arts
K.Edwards - engineering drafting
Mark Inglehart - architecture
R.Mestaz - horticulture
Mike Negley - photography
Mark D'Amore - electronics
Scott Marshall - graphic arts
Joe Arnold - metal technology
Don Deotsch - art metal
Dana Wing - wood

SON OF GONG

The OLE! staff produced El Toro's own unique version of the television talent show, the Gong Show. Various participants from both students and faculty performed one-of-a-kind acts in an attempt to capture the grand prize of $51.07. The acts were either "gonged" mid-performance or allowed to finish and given a rating of 1 to 10. The first-place winners were Laurie Diederich for her Scottish sword dance and the band Phase I with an Elton John song, tying with 28 points to outscore the other acts of "talents" (or what is passed off for it).

The "faded elegance" of Crow and Stephany ... Henry falling off his chair ... gang gong of teacher acts ... "Yowza, yowza, yowza!" ...

C. Stephany

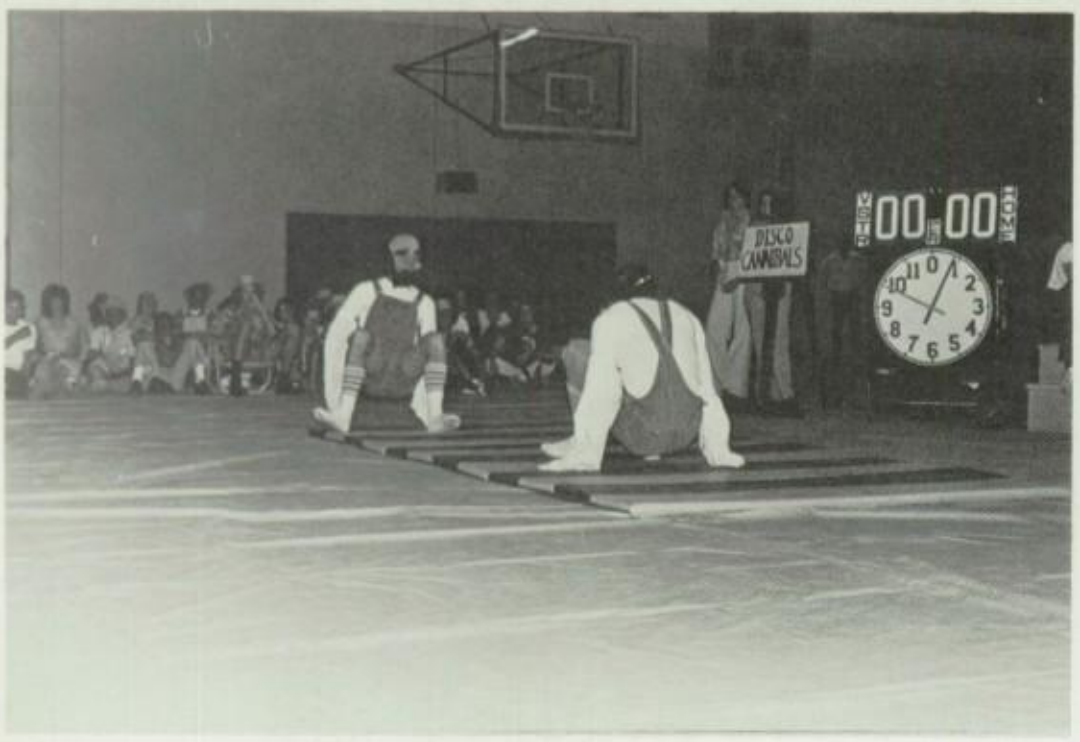
The event was nerve-racking, but with the absence of a bass player and equipment, it still came out O.K. It gave us a feeling of accomplishment.

John Licitra

I shall never forgive Mrs. Crow for her score of -4. I hope she is forever plagued with overdue books.

Jackie Mooris

Kerry shows her talent.



Mr. Henry doesn't seem to get it.

HARVEY

Harvey, the invisible Pooka, was the seven-foot, rabbit star of this play, necessarily appreciated through the person of Elwood P. Dowd. Under the direction of drama student Phil Foster, the audience enjoyed the chain of events as Elwood's sister tried to commit him at Chumley's, a mental institution. Each character went through a transformation as Harvey became acquainted with him, showing that while he might not be visible, his impact certainly was.

Unbelievable. A remarkable achievement for the first student production.

J. Rayl

The staging and acting put over the premise of the play really well. (I myself have a 4-foot pink chicken for a friend.)

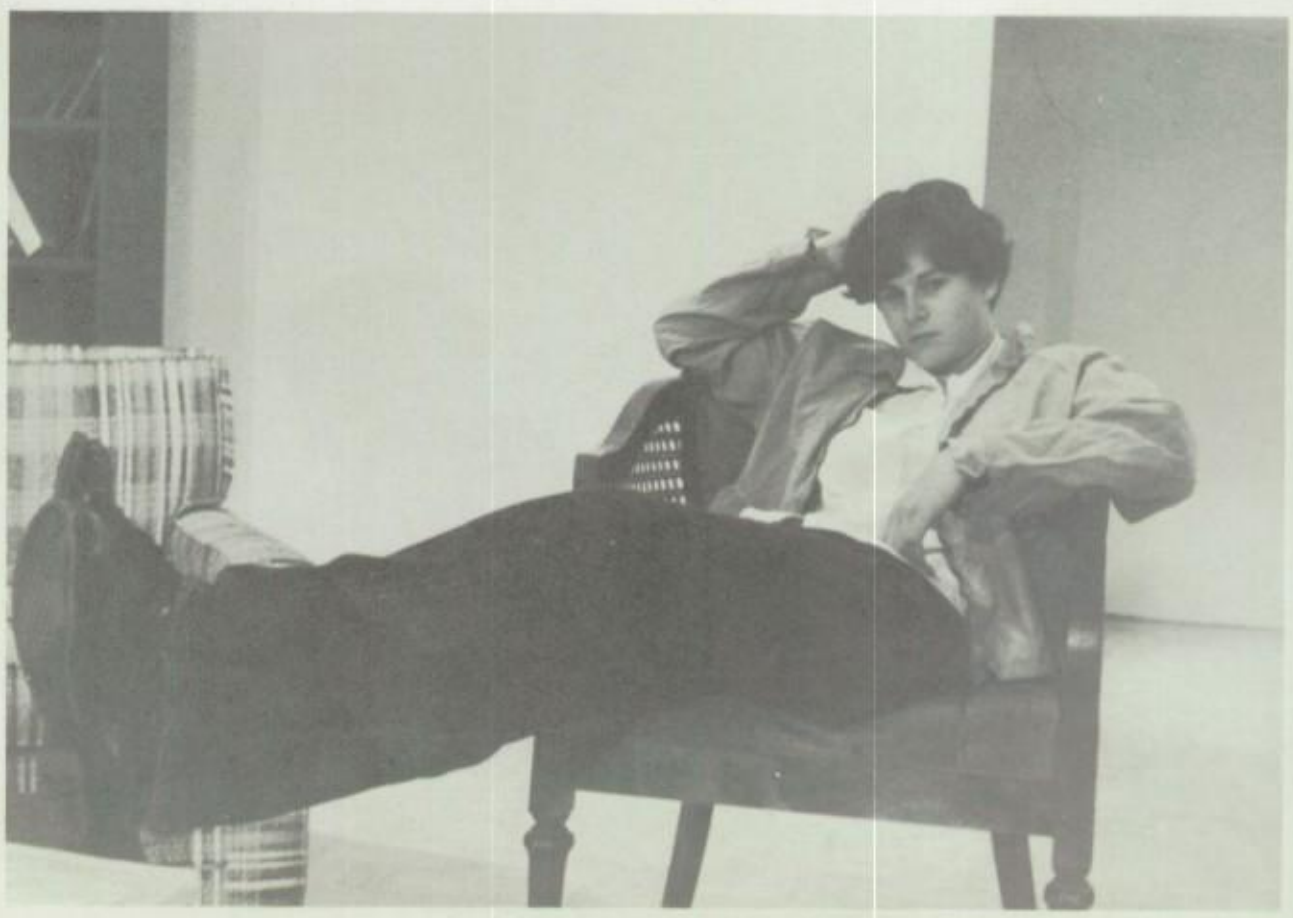
Rosana Javier

It was a really different experience for me in that I was working under a student and a nut of a teacher.

Carl Binder

"Do I really believe in Harvey?"

"Yes, m'am."



"Well what are you looking at."

Barbra makes a dramatic debut.

"But there is no rabbit!"

A touching reunion.

SADIE HAWKIN

"Ew! Let me out of here!"

Overalls and straw hats were seen as gals gragged their guys to the Sadie Hawkins Dance. This year's dance was held in the gym disguised as "Hillbilly Haven." Dancing to the music of Crystal Ship, the hillbillies mingled between the general store, the jailhouse and the ever-popular wedding chapel. This year's annual event sponsored by the Freshman and Sophomore classes, proved to be one heck of a hoedown!

I had a great time planning the dance and I'm glad it was such a success.

Diana Morris

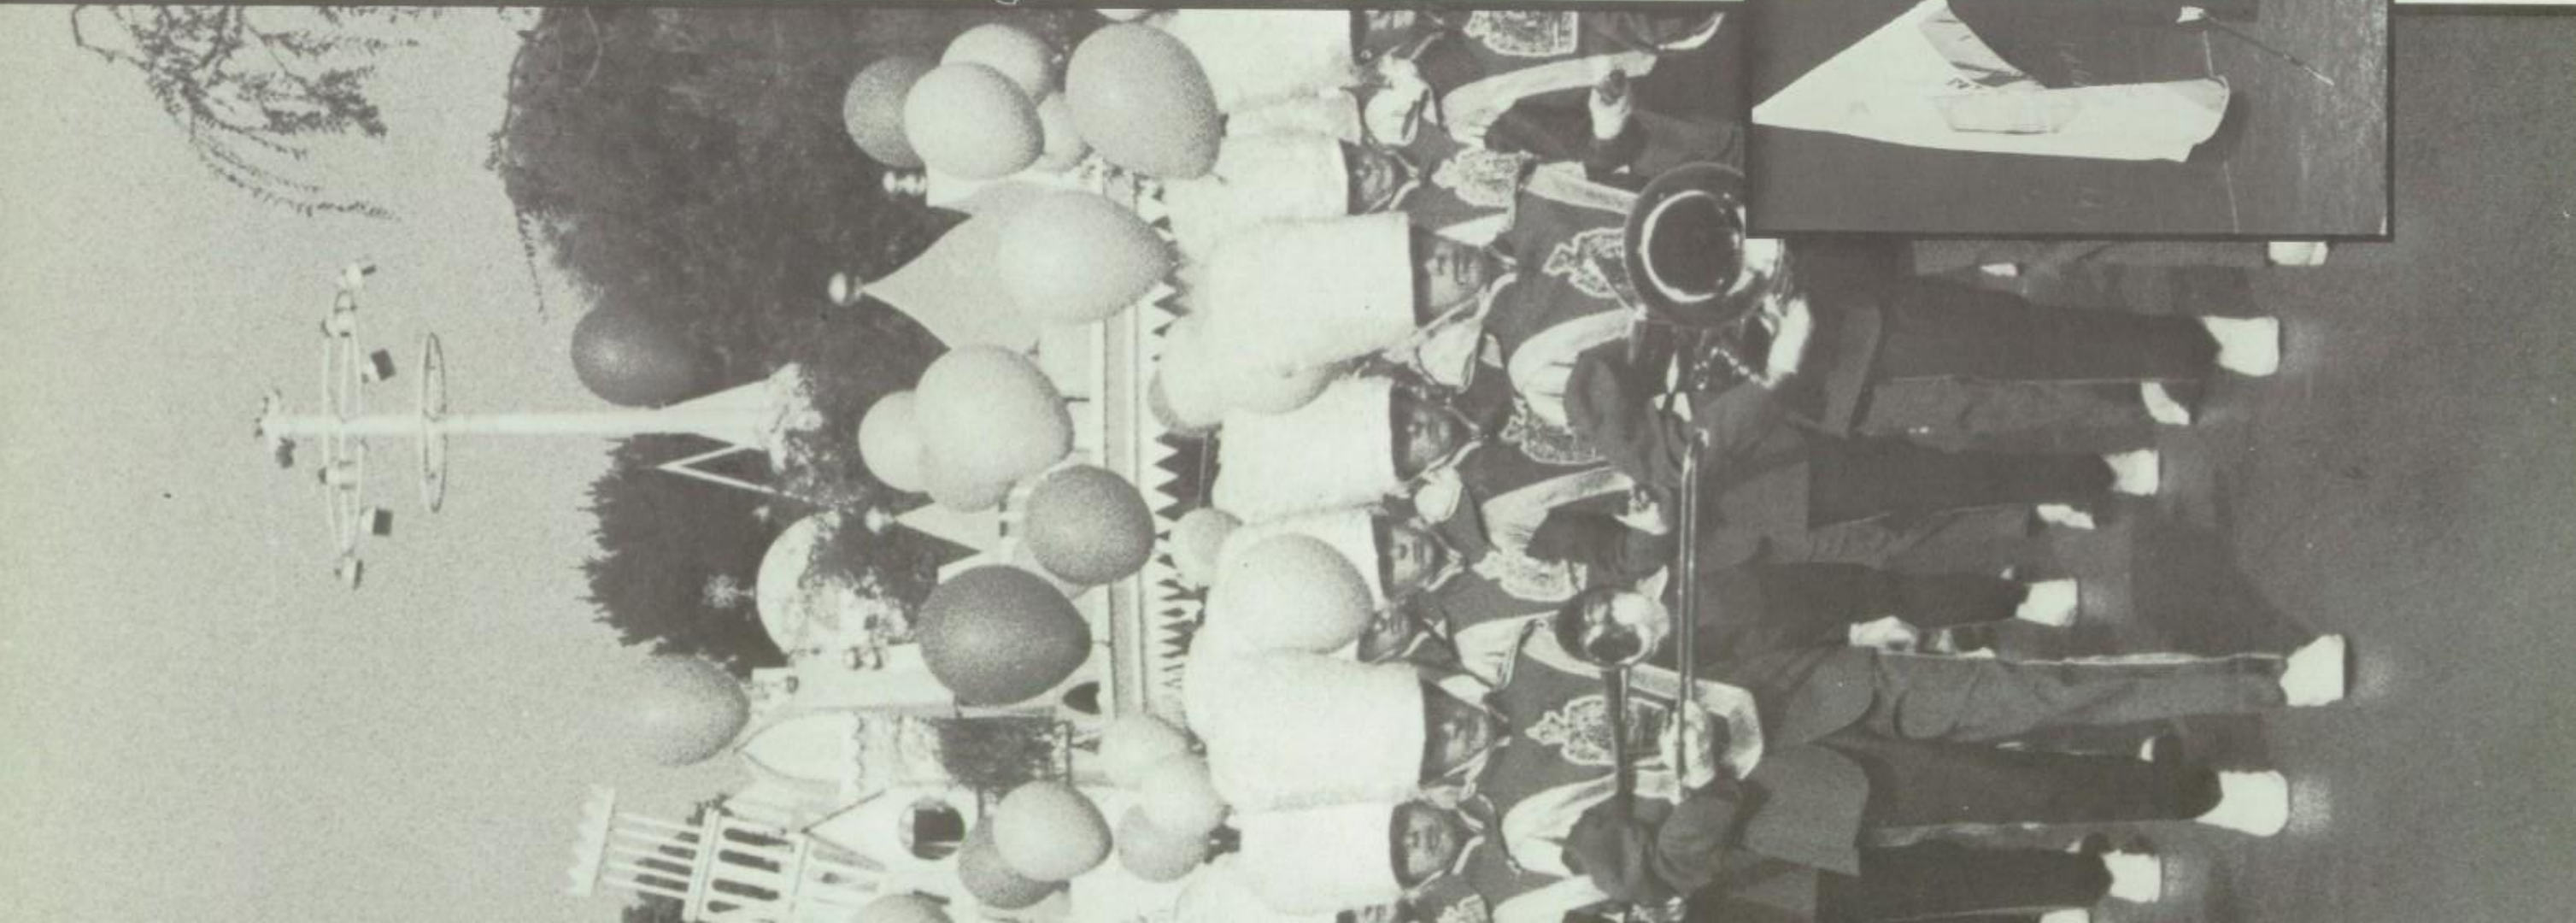
I had a lot of fun! It was my first time and the part I enjoyed the most was dressing up which was fun-ny.

Becky Munoz

"Thats a knee-slapper, alright!"

Smile, Ya'll!

CLUBS



KEY CLUB

Sponsored by Kiwanis International, Key Club does service projects for the school and the community. It promotes involvement of boys with people around them to whom they can be of service. It also sponsors the ever-popular Donkey Basketball game, in which each member rides an unfriendly animal against the faculty. The only all-male service club on campus, it is a respected organization that has helped build a sound reputation for El Toro.

Key Club is one of 3,705 such clubs throughout North America. The highlight of our year is our District and International Conventions. Key Club is incomparable.

KEYWANETTES

Keywanettes is the best service organization a girl can belong to at El Toro. Helping the school and community in all possible ways, the club is composed of girls of all ages dedicated to helping others. Being the female counterpart to the Key Club, the two groups often work on service projects and fund-raising events in unison.

Keywanettes is the best service group on campus. We have a lot of enthusiastic girls that are ready to serve the community and school. It's also fun to work under Hope; she makes an interesting President! I want to be in it four more years! Too bad I'm a senior.

Wendy Melin

There's one thing about Keywanettes that should be understood. It's a privilege and an honor to be in Keywanettes, and it should always be considered as such.

GIRLS LEAGUE

Although they may not take advantage of it, each girl at school is a member of Girls League. Among the projects of Girls League is the Christmas Formal and a mother-daughter tea. Basically, this club provides a common social bond for all girls to encourage their participation in school activities. Through this club new friendships and ties are easily made because of the fact that all girls are welcome.

I think this year Girls League has gone over well. I think we have 3 good advisors, and the Christmas Formal was one of the best ever. The only thing: I wish I could be president next year, too!

Wendy Melin

The fantastic group of officers were great!

S CLUB

The S in "S" Club stands for service and for Soroptimist, which is the organization that sponsors it. The club provides assistance at banquets and is available for other projects. Its members look forward to "S" Club Camp held each spring. It has started a tradition of giving Easter cupcakes for the faculty, and its fund-raisers run the gamut from car washes and bake sales to co-recs and other sales.

Service clubs like ours are a great idea. Everyone benefits.

PEP CLUB

The large group of students who cheer and make other noises at football and basketball games is none other than Pep Club. These people are the spark plugs in the audience who help get the spectators excited. They often bring signs and mark off strategic places in the stands from which to cheer.

FISHING CLUB

A small, relatively unknown organization, the Fishing Club caters to students who enjoy the age-old pasttime of trying to catch their own dinner. Meetings are spent watching films on the subject and also getting tackle together for fishing trips. Outside, students practice their skills in outwitting the source of their amusement.

The 15 members all think fishing is the ruler of sports.
Jim Howell

Joe Woldenberg

Members of the Fishing Club

That's not a fish!

CHESS CLUB

More complicated than checkers and often played against computers, chess in not one of the easiest games to play. However, it is one of the most challenging and intriguing. While the Chess Club is relatively new, its members have already had fairly extensive exposure to the game, and they meet regularly to expand their knowledge and skill of the board. Competition so far is limited to other members who all try to "checkmate" their friends. Who knows, perhaps there is a potential Bobby Fischer in our midst.

MATH CLUB

Students interested in equations, square roots and cosines are often drawn towards the Math Club. Here, under the guidance of Mr. Bill Helms, these future mathematicians gather and combine their efforts into creating a winning math team for competition against other schools. The is becoming more and more popular as more students are realizing the importance of mathematics.

Our Math Club has improved greatly since the beginning of the year. I'm really glad I've gotten to be in it and watch it grow.

Cory Wilson

Our Math Club isn't the usual Math Club. I think it's a good club mainly because it offers competition with other schools.

Kevin Crenshaw

SPEECH AND DEBATE

Delivering a well-thought out speech can be as difficult as trying to make that touchdown or basket, even though it does not require great physical strength. It does require poise and considerable ability. Our Speech and Debate team has shown itself to be quite proficient in its competition in speech tournaments.

Speech and Debate members take time out to eat!

Few students have a chance to take an audience into their hands and get a feeling of power.

Bob George

It's a lot of work, but it's nice when you win (the speech tournaments).

AUTO CLUB

Auto Club is a socially-oriented extension of auto shop, where the combustion engine reigns supreme. Those people who are Felix Unger types would probably not join the club since working with cars usually gets them a little more than dirty. Some members, however, may find getting dirty part of its charm.

Being in the ETHS Auto Club is great...You learn a lot, plus your car's kept running.

RADIO CLUB

Learning to operate ham and C.B. radios is a major part of Radio Club. Led by Mr. Al McDermott, the club is made up of students involved with radios, their operation and maintenance. The club also prepares students for getting their ham operators license.

MOTOCROSS

One of the fastest growing sports these days is motocross. The purpose of the club is to acquaint motocross fans with other such enthusiasts and to share between them the excitement that that type of competition generates. Each member has his own bike and number, and he competes in various races during the year's two competition seasons to win points for the club, which participates as a team against other schools. To heighten the glory of victory, motocross people can now earn Varsity letters for their efforts, just like the other athletes.

MARCHING BAND

The El Toro High School Marching Chargers Band is rapidly becoming one of the best received groups on campus. Participating in school assemblies and half-time shows is only a sample of the bands many activities. Under the direction of Mace Drum Major Tom McKee, the band captured a third place in the California Band Review competing against many other bands. To top last year's trip to San Francisco, the Chargers planned a week long concert tour of Hawaii. The El Toro Marching Band is looking forward to many more year's of success thanks to the spirit and devotion within its ranks.

I can remember when there were only sixteen of us in the band. We've grown a lot since then, and I'm glad I got to be a part of it.

CHARGETTE DRILL TEAM & PAGEANTRY

Being in the Chargette Drill Team takes a special kind of girl, one that radiates pride and spirit no matter what the circumstances. The Drill Team provides the school with entertainment at Pep Assemblies, halftime shows and basketball games. In addition, they march in parades and accompany the band on their various trips. Placing third in the California Band Review made the year something to remember for the Chargettes. Leading the band everywhere it goes is a group of specially picked girls that are best suited to carry the name of El Toro. These girls are the pageantry corps and form the very important identification unit of the band.

To be on the team was to experience joy . . . and sorrow. To know the real meaning of good, hard work and to experience real satisfaction. To discover the many shortcomings of people, and to learn how to deal with them. To sum it all up, to be on Drill Team is to love Drill Team.

CONCERT CHOIR
CHAMBER CHOIR

Mr. Rouse, Advisor

This year the choral department has exploded into vitality and life. This explosion is primarily due to the superb guidance of Mr. Jerry Rouse. Chamber Choir, for the advanced singer, provides every student with an experience in music while still enabling him to enjoy himself. Concert Choir follows the same philosophy, but it is designed for the beginning to intermediate singer. An inspiration at year-round performances in and out of school was Mrs. Karen Legone, choral accompanist.

We have a very close family-like feeling that makes everything much more enjoyable. We have a great director, and a much loved and talented accompanist.

WOMEN'S CHORUS
JAZZ ENSEMBLE

Expressing themselves through the vocal aspect of music, the Women's Chorus is singing its way to fame. This devoted group of girls was seen at many school functions and at various community events.

I have been in chorus for a long time, but I have never had as good a teacher as Mr. Rouse. He has taught us all cooperation, being able to work together and has brought us closer together.

This year Bob Mosbaugh became our school's first yell leader and contributed an added sense of spirit. The entire squad worked hard to keep spectators enthusiastic and to bolster morale, which is actually not as easy as it looks.

The only bad thing about being a cheerleader is that everyone thinks you're stuck up, but we're really not; we just can't say "hi" to everyone. Any girl who makes it next year will understand. Other than that, it's great!

Cheryl Glazier

Kathy Gavin

The Songleaders could also be counted on to incite vocal support from spectators. The latest songs were effectively put into use as innovative routines were combined with more traditional ones. Their tunes often made students rock in the stands, like when they went through their version of the hustle.

Assisting the Varsity Squad during pep assemblies is only one more of the many activities performed by the JV Squad.

HOUSE OF REPRESENTATIVES

The House of Reps provides a way for students to express their views on school activities to the student government. Home room representatives meet monthly to relay House decisions and proposals and student reactions. Voting often takes place in home rooms on subjects concerning school activities. They provide a communication link that serves everyone.

The House of Reps is very organized and is held in a way so that everyone gets his or her opinion or suggestion in. It's worth keeping up with!

ROTC

A high school version of the Marines, these people partake in a year of discipline and responsibility, some for a future career and others not. Many volunteer for marksmanship competitions. In addition, a few members have been color guards for events like our pool dedication. With their uniforms pressed, an impressive sight is a member juggling books in order to salute an officer.

ROTC is a fine opportunity to practice leadership and to get involved in many clubs.
Teresa Weber

ROTC isn't like what most people say it is. Sure we like to have fun, but since we're a military organization, we're more noticeable, and people point us out more often.

CREATIVE WRITING

The members of the creative writing class learn to express themselves, their ideas and feelings, through poems, essays and short stories. Their goal is to improve their grammatical skills and to learn to express themselves more freely. Everything comes together for these students in their yearly publication, TOUCH OUR WORLD. This completed collection of student works recognizes the creative authors involved and encourages a wider range of student participation.

This class let me use my mind the way I wanted to, and it helped me expand my ideas enormously.

In a recent poll, the staff members said that their positions required three things —time, talent and a sense of humor. These hard workers toiled in class and out, photographing, writing and designing this book. Each person was responsible for a section of the product, and the result is very gratifying. From the ever-present photographers to the editors who go into hiding come deadline, they have all contributed to our memorybook for the past year.

SPORTS

GAA

The Girls' Athletic Association is an active, student organization whose members enjoy the spirit of friendship and fun as well as competition. While CIF has replaced GAA at other high schools, the GAA advisor, Ms. Sheri Ross, hopes to keep GAA the important part of school that it is. GAA provides healthy competition on a level not quite as demanding and restricted as the CIF program, and it also provides comraderie for a great number of girls with a common interest in sports. Planned this year in addition to the annual picnic, held this year at Laguna Niguel Park, were a co-rec and a skating get-together.

GAA has started off with a lot of enthusiasm, many girls participating and lots of interest that builds up as the year goes on.

VOLLEYBALL

This year GAA Volleyball was under the direction of two very dedicated coaches, Ms. Logan and Ms. Ross. The girls practiced regularly and became more and more skilled as the season progressed. The girls ended the season spirited and looking forward to next year.

The GAA teams were very enthusiastic and ambitious to win their games. Everyone had a fun and great time during the volleyball season.

This year GAA Volleyball was really neat. Everyone was so spirited and excited for their teams.

GAA BASKETBAL

Pass, dribble, shoot! Drilling first in order to sharpen their skills, the girls in GAA basketball soon get into the excitement of a fast, fun game. Although the basic moves are stressed in the beginning, the coach, Ms. Brideweser, said that the emphasis is on the enjoyment of the sport. The teams are of varying levels, and each girl has shown improvement in her abilities in a short time.

GAA gives girls the opportunity to compete and challenge other girls from other schools. It is also the opportunity to share the happy, sad and proud feelings for each other and our school.

Becky Starr

Although GAA basketball does not have a great number of people like last year, we're still going to give it our all.

VARSITY VOLLEYBALL

Volleyball is one of the most popular sports to play for fun, but playing by the correct rules—not jungle-ball—takes quite a bit of skill. The Varsity team played very well this year and also managed to enjoy themselves. While not high in standings, the team was high in spirits and was improving skills rapidly. The girls played hard and gave it their all in competition against teams from schools with more established volleyball programs. Once our program gets fairly permanent coaches, the future will look even brighter for these girls who like to bump, serve and smash—all in good fun, of course.

Varsity Volleyball has really improved since last year, and I'm sure we are going to do even better next year.

Kristin Grant

In the future, E.T.'s gonna be great, so watch out South Coast League! I would also like to give a lot of thanks to Coach Reed and Coach Storts for all the time they contributed.

JV VOLLEYBAL

The JV squad also worked to perfect their serves and bumps and made considerable progress by the end of the season. Next year should see an even greater showing by this group of energetic young girls. Competition on the JV level can be as exhausting as on the Varsity level, as any of the players who played the net, set up hits or just provided moral support to fellow players can vouch. Together with the Varsity team, our volleyball teams were well recognized as a fine group of young players.

The coaching was great this year, along with the teamwork. We had a lot of spirit, and we were the first JV team to win 3 games in 3 years! All right, J.V.'s!

Danielle Arbor

It was a lot more organized than last year, and both coaches became my friends. There was a lot more spirit and togetherness this year than last year.

"We better get on the ball; we're losing."

This is the first year El Toro has had a girl's JV Tennis Team. The players began the season with high hopes, but the tough league competition soon put a damper on these hopes. The goal of the team was to become more unified and to improve each player's skills. Coached by Ms. Cheryl Lacy, the team is sure to have a winning season next fall.

JV tennis was a fantastic experience for us this year. Many of us were new to this sport, and progress was super. Our record may not have been a good one to look at, but our spirit was sky high.

Christy Long

Improvement was the goal that everyone strived for, and I feel that it was accomplished. This was one of the most spirited teams I've ever been on.

Julie Prator

VARSITY TENNIS

Coached by Ms. Diane Hale, the Varsity Tennis Team began the season with six straight victories and continued their winning streak throughout the season. Many of the girls returned from last year and were able to make the team strong and united with determination. The future looks good for these girls, and hopes are that someday they will dominate the South Coast League.

The Varsity team showed great improvement this year. It gave us a real sense of pride to win both of our matches against Mission. Much thanks to Mrs. Hale. (She's a real hotdog!!)

Jenny Heflin

Varsity Tennis had a great year. We've improved tremendously, and with each year we're getting better and better.

GYMNASTIC

Made up of 16 girls, the gymnastics team requires agility, spirit and a good attitude. Each girl competes in one or two events with the required compulsory and optional routines. The four areas of competition are the uneven bars, balance beam, vault and floor exercise. Being a young team, the outlook is bright for these gymnasts with total success lying a few more practice sessions away.

This year we have a smaller team and more time for individual help. We have a lot more going for us and possibly a chance to take the league.

Janet Peavy

Gymnastics takes a lot of hard work and effort. We're looking good this year and hope to get even better!

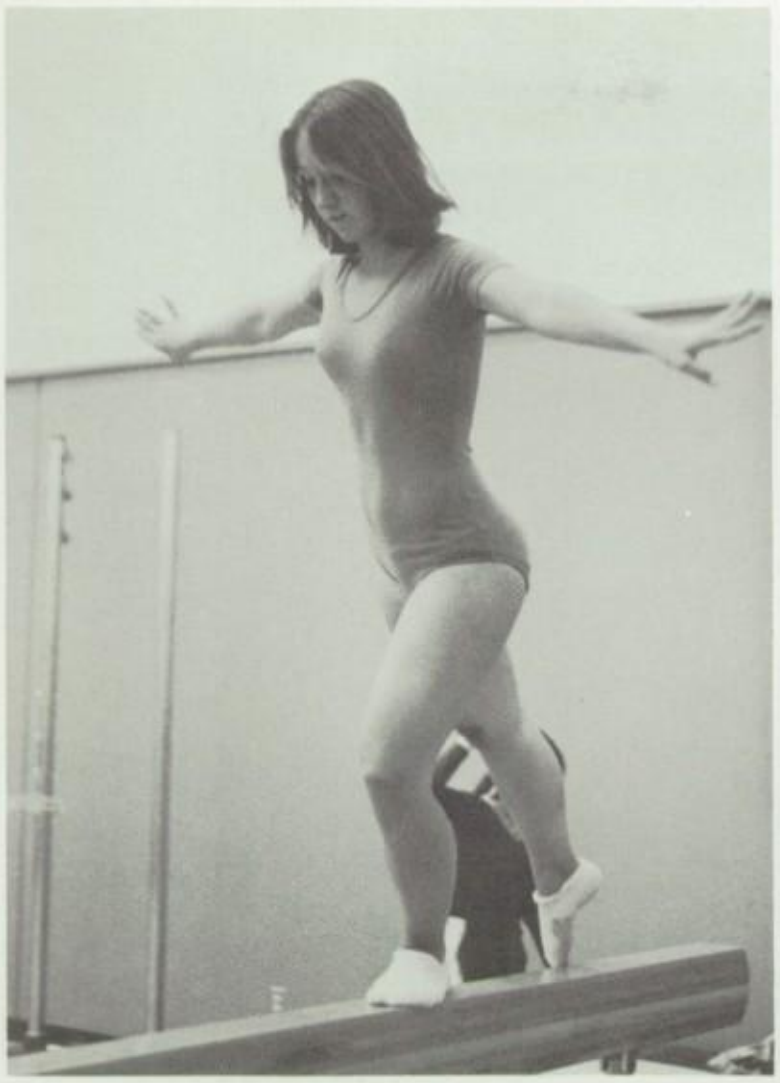
"What perfect balance I have."

"How do you like this?"

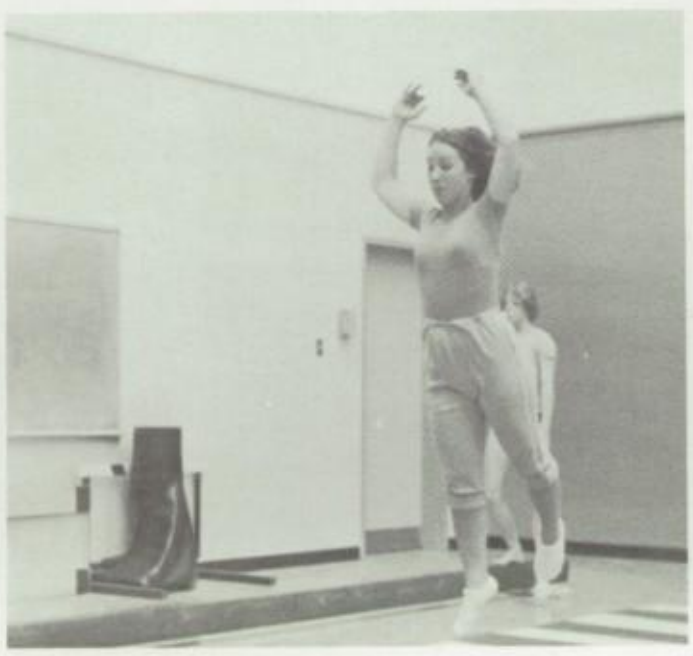
"What comes next?"



Perfect balance.

It takes concentration.

Members of the Gymnastic Team are (L-R, Back Row) E.Dougherty, J.Paster, L.Kreidl, K.Cunningham, L.Gillespie and S.Donato; (L-R, Front Row) are D.Frederick, M.Tolle, C.Bianca, K. Castle, J.Peavey and S.Clark; (Center) J.Carr, L.Duke and C.Sargent.



VARSITY TRACK

The girls' track team has always been highly respected and has enjoyed being number one in its league for the past two years. This season's outlook was brighter than ever as veteran runners returned to better their records and newer members tried to beat them, and the state meet seemed a more inevitable possibility. Members Gourdine, Holmes, Starks and Glazier were the most well-known; however, Coach Dickey said that Long, MacIntyre, Goodman, Robins and Arbour were also outstanding. The whole team is to be commended.

Our team is like a family. We work hard together and have a lot of fun. I think that makes us a number one track team.

Lisa Gourdine

I'm really glad I was on track last year and I am glad I'm on it this year. It's really a thrill to have such unity on one team.

Susan Furbee

Every girl in this school should join at least one sport, and that sport should be EL TORO HIGH SCHOOL'S GIRLS TRACK TEAM!

Deleta Starks

"Aren't we great?"

"Please bar, don't fall!"

Members of the girls' track team are (L-R, Top to Bottom) S.Furbee, P.Boag, C.Leonard, T.J... J.Green, D.McIntyre, C.Pinz, K.Seiler, W.Steinkamp, J.Howenstein, J.Wethell; (Second ... M.Tellam, K.Neathery, J.Hutter, K.Havens and P.Millan.

"You were entirely too slow today."

The idea is to clear the bar, not sit on it.

"What a day."

"Those WHEATIES work wonders!"

"Let's warm up with twenty laps, girls."

DANC

"Step, kick, kick, leap, kick, touch; again!!" These are familiar sounds to anyone involved in dance. Under the direction of Mrs. Carol Mitchell, the dancers learn a variety of dance styles which are exhibited in the annual dance concert as well as in the spring musical production. Dance is open to seniors, juniors and sophomores with teacher approval, and both male and female students are encouraged to join.

Dance was an enjoyable experience. It has taught me to use my imagination and develop creativity.

Liz Robertson

To me dance is an emotion that shows it's feeling through music and is something that needs no preparation.

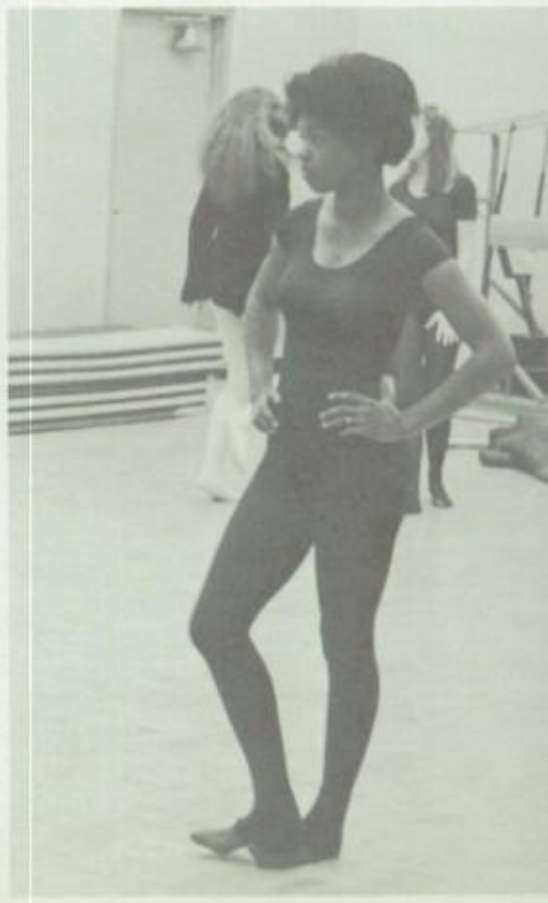
Debra Walker

"Aren't we graceful?"

Dance Instructor, Mrs. Mitchell.

Members of the Dance Class are (Standing, L-R), E.Elipper, D.Barnaby, J.Krone, P.Gentry, Rangel, D.Pellettieri, G.Gilbert, N.Soto, A.Loveless, G.Swanberg, T.Bradford and D.Lavert; (Second Row) A.Torigoe, L.Robertson, N.Jackson, V.Burrola, B.Parker, T.Hernandez, B.Arroyo, Webber, L.Breckenridge, P.Colver and L.Goff; (Third Row) M.Dramis, D.Walker, D.Brown, I.Frofeldt, C.Homer, C.Breckenridge, S.Mallory, L.Robertson, C.Arroyo, A.Halessky, N.Lassey, M.Mler, and B.Parker.

"If you want to get this right, watch me!!!"



CROSS COUNTRY

Coach Waddell

Running cross country is very demanding physically, and a disciplined mind is also needed to keep the pace. Pushing themselves to their limits, this small group shows great promise for next year since they are all freshmen. Cross country running is just a part of the year's activities because the girls go into track afterwards to keep up their running skills. These girls do more than joggers and much more than anyone who has ever run, even to catch a bus.

I had a lot of fun running at practice with the guys because they kind of babied us girls. Anyway, everybody keep on running.

Shelley Glazier

It was really fun and it helped me condition for track.

Sue Dick

I hope next time there will be more girls in cross country. Thank you very much, Mr. Waddell, for being so patient with us.

Tondra Rush

"You've got to be kidding!"

Cross country runners are (Standing, L-R) Tondra Rush and Janet Warner; (Sitting) Dana Meisner, Susan Dick and Shelly Glazier.

Janet Warner is determined to win!

VARSITY BASKETBAL

Under their very own coach this year, the varsity basketball team maintained their optimism and enthusiasm this season. Hoping to successfully incorporate fast breaks and a full-court press, Ms. Storts, the coach, hoped to provide all the players with a lot of experience on the courts. The previous coach had both varsity and JV teams to supervise, and the opportunity now for more individual attention should prove a great boost.

The coaching was great. It was hard at times, but in the end we would come out better athletes.

Dana Whitegon

The basketball team will be a great team this year, all due to hard work and working together.

Mary Laker

"Changala, wipe that smile off your face!"

"Can't you see it's mine?"

Members of the varsity basketball team are (L-R) K.McCabe (manager), C.Carter, J.Heflin, D.W gon, S.Bates, L.Changala, P.Carson, H.Moylan, D.Carr, J.Morris, M.Laker, C.Grant, and J. bell (manager); (middle) Miss Storts, coach.

"Girls, remember; ANTICIPATE the pass."

Time for another basket.

J.V. BASKETBALL

Here comes Diana for another lay up.

Karen may be down, but she still has the ball.

The JV team also had the advantage of their own coach, in the person of Mr. Schroeder. After ten years of working with males, the coach commented that he enjoyed working with this group of female athletes. He cited the fact that many players were young, should improve greatly in the next few years and could prove to be good varsity players. Meanwhile, these girls are faithfully practicing their lay-ups and freethrows and are showing what they can do.

I think both our teams are gonna shock a lot of people. We're improving fast and have a lot of potential. Our spirit is unmatched. We're really getting it all together.

Cindy Jackson

Members of the J.V. basketball team are (L-R Top to Bottom) Mr. Schroeder, coach, C. Jackson, K.Caldwell, C.McCabe, L.Rickabaugh, T.Elinoff, C.Quinton, K.Burroughs, K. Woodel, L.Moffatt (manager), R.McClellan, R.Pignone, D.Morris and J.Arroyo.

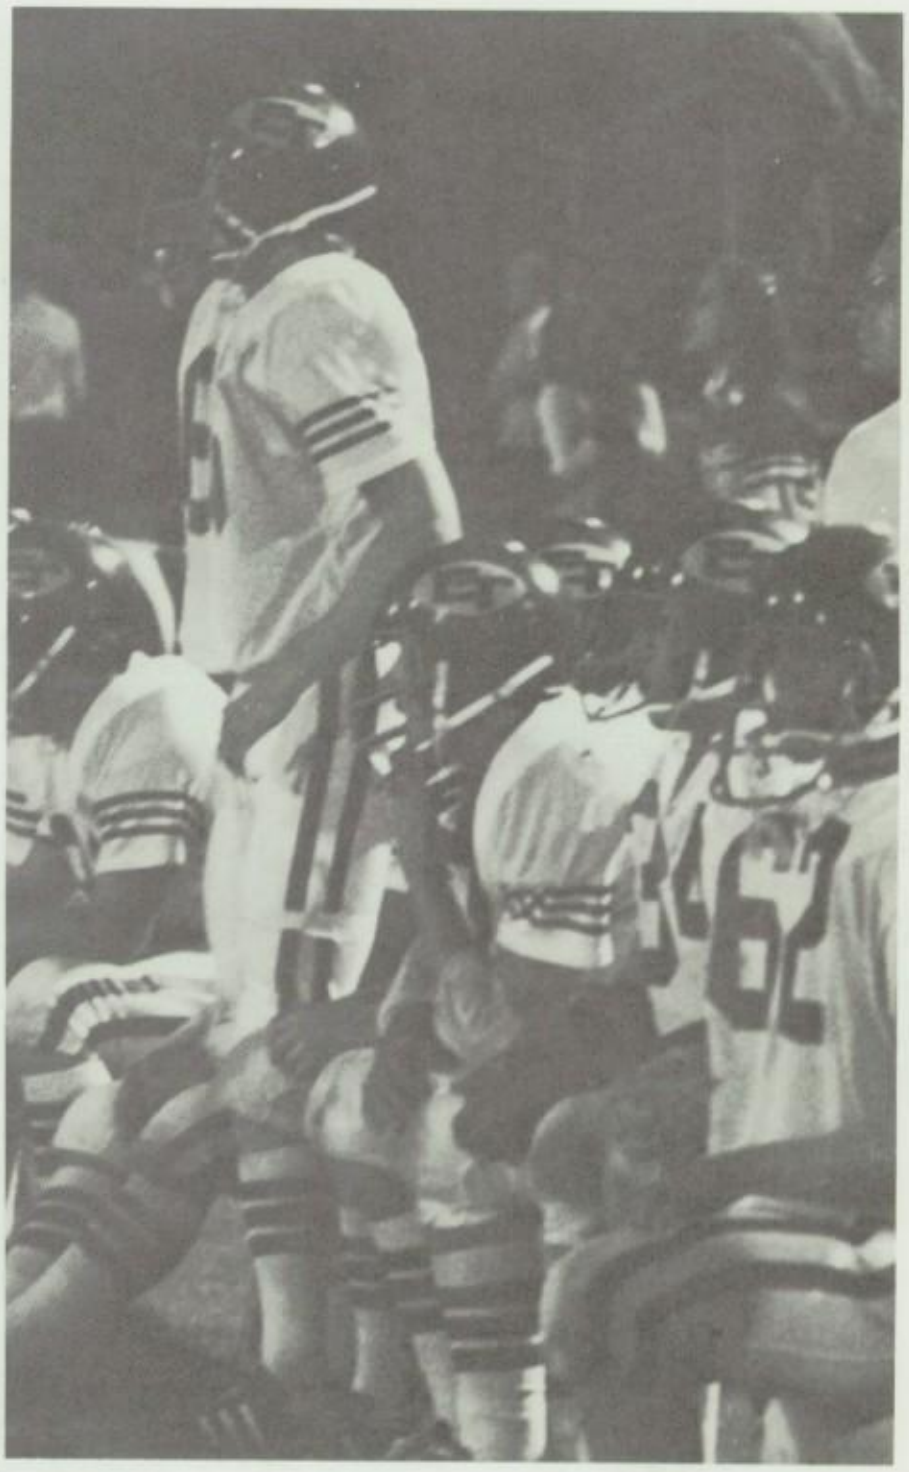
This year the Varsity team once again proved to be the pride of ETHS. Never once disappointing the cheering crowds, the young squads provided exciting plays as they headed for the goal each game. Showing great determination, they also stood tough as they defended against the other teams. Under supportive coaches, the players all agree that this year they played well, despite the final scores. Not reflected by statistics is the effort and improvement made by the players as they progressed through the season.

It takes dedication of the utmost to play football. Not only is it exciting to play, but it is also a rewarding experience. Under the coaches we learned a great deal of self-discipline.

Steve Key

I feel that in order to play football well, you have to like to hit people. In order to be a good team, everybody on the team has to give 100% in each practice and game.

Craig Strausheim



Hopeful Chargers watch from the sidelines.

SOPHOMORES

This year's Sophomore Football team finished the season with a 2-6-1 record. Coached by Mr. Phil Pusateri and Mr. Bill Dickey, the sophomores found out just how tough league play really is. Even though it was a disappointing season, the players were spirited and worked well together. The sophomore team voted Ron Richel, Most Improved Player and Pete Stivers, Most Valuable Player. The Future Charger Award, for the player most likely to do well on Varsity, went to Jack Schnider.

The sophomore team is made up of a very dedicated group of guys. I enjoyed being part of the team and all the spirit that goes along with it.

FRESHMEN

This year's Freshmen Football Team reached new heights in participation. Coached by Mr. Bob Webber, the players were eager to learn and work together even though it wasn't a victorious season. Outstanding players were Most Valuable Player, Rory Smith; Most Valuable Back, Chuck Gurley; and Most Valuable Lineman, Richard Irwin. Keeping with the true El Toro spirit these players show great promise for future success.

Before the games we were psyched up and nervous, and during the games we all tried our hardest.

VARSITY WATER POLO

This year the water polo team faced many hardships. The addition of two more schools into the South Coast League, greatly hampered the chances for victory. Under the direction of Mr. Steve Farris, the Chargers, faced with inexperience, are looking ahead for future success. The players recognized for their outstanding efforts were Jeff Wilson, Most Valuable Player and team captain; Jon Awerkamp, Most Improved Player; and Ken Lobeck, Outstanding Freshman Player. With the finishing of the pool and the loss of only three seniors next year's hopes for a victorious season are well founded.

The addition of Costa Mesa and Corona Del Mar made the league very tough. Each game was hard fought, win or lose. With the new pool, we hope to improve enough to beat some of the tougher teams.

JV, FROSH-SOPH

Coached by Mr. Steve Farris, the newly formed JV and the Frosh/Soph Water Polo teams have shown great improvement this past season. Being new to league play the Chargers stood up to the competition but suffered many disappointments. Leading the JV Team was Steve Fluss, captain; and Mans Ulfsparre, Most Improved Player. Awards for Frosh/Soph went to Brad Richie, captain; Glen Awerkamp, Most Valuable Player; and Dan Jones, Most Improved.

VARSITY CROSS COUNTRY

This year, the El Toro Cross Country Team faced the toughest league competition in the history of the school. Under the supervision of Mr. Mike Waddell, the Chargers had a disappointing season but one full of determination and pride. Leading the Chargers, with their skill and ability, were, Most Valuable Player, Kent Schmidt and, Most Improved Player, Vince Castro. Keeping the spirit up, Most Inspirational Player was Art Vanwie, and keeping the team together was, Captain, Lester Fuzzel.

It is inspiring to have persons on a team who are always trying to better themselves. This was very evident in our team. Even though we were outclassed, Mr. Waddell still performed fully as a coach which not only inspires you but makes you want to run.

Lester Fuzzel

We all had a good time on the Cross Country Team. It was fun to run with my teammates and finally break the two mile course record.

JV, FROSH-SOPH

The El Toro JV and Frosh/Soph Cross Country Teams were composed primarily of inexperienced players. League competition stiffened, but the Chargers kept running, displaying the determination necessary to be a good cross country runner. For the JV's, Don Changala (Most Valuable), Tim James (Most Improved) and Mark Concar (Most Inspirational) were the award winning Chargers. Sophomore award winners were (Most Valuable) Manny Grijalva, (Most Inspirational) Bob Ring, and (Most Improved) Matt Pohlhammer. Outstanding Frosh runners were Eric Klug (Most Valuable) and Steve Gibbs (Most Improved).

To the distance runner it's not whether you win or lose, but surviving the race that counts. Winning the race becomes secondary. He must give all he can and finally muster what fading strength he has to sprint to the finish.
Tim James

This year's Frosh team tried hard, but we just didn't have the players necessary for a really good team.
Eric Klug

Sophomores players are (L-R, Back to Front) J.Dubose, M.Pohlhammer, M.Grijalva, R.Annett, S.Zappia, and J.Swetland; (Second Row) D.Ingle and D.Higgins; (Front) B.Ring.

Freshmen players are (L-R, Back to Front) R.Jones, M.Matranga and S.Gibbs; (Front Row) E.Klug and G.Bass.

VARSITY BASKETBALL

This year the varsity basketball team got off to a good start and became more competitive as the season progressed. Winning seven out of ten pre-league games, these Chargers also took first place in the Elsinore tournament. League play brought out tough competition and close scores, but the team kept together and went on to win many of these games. Being a small team, emphasis was on good defense and good shooting. Bob Charles and Mark Hill led the team in scoring and rebounding, passing off to Mike Hill, lead assist man. These efforts combined with the teams produced a well-rounded defense and a good base for next year's play. Being small and basically young, the Varsity squad felt they accomplished all they set out to do, and a little bit more.

It was sweet revenge to sweep Mission this year! Twice!!!

According to Coach Ed Felix, JV basketball is a preparation for varsity. Stress is not on winning or losing but on improving all-around fundamentals. Teamwork and an outstanding attitude kept these Chargers alive throughout the season. Most Improved Player Scott Burman showed great potential while Mike Wilson performed eagerly on defense. Mark Lee and Marvin Taylor led the JV team in rebounding, passing off to lead scorer Mark Walker.

We worked hard the whole year and improved greatly. Taking third place in the Elsinore tournament was the highlight of the season.

Jeff Gibbs

We're the best JV team El Toro's ever had and I'm glad I helped it get that way.

Mark Walker

SOPHOMORES

This year's sophomore basketball team took on a new look with a new coach. Coach Fred VanLeuven helped his team realize their goal of becoming better athletes and future Varsity players. This was the first true competition for many of the players, and as a team, they were very aggressive and were never willing to quit up to the final second. Preseason play kept these Chargers in high spirits, but league matches turned out tough competition and close scores.

We lost all our games last year, but this year we have improved 100%. Coach VanLeuven is the reason why we had a good team this year.

FRESHMEN

Dribbling down the court, straining to outshoot their opponents, these players gained court play experience as they began the climb towards varsity status. Most people are already familiar with this sport before high school, as these freshmen were, who also disproved the notion that their class is awkward. They handled the ball well and gave the other teams a real workout during their games. Outstanding players included Tom Madland, Mike Matranga, Bruce Payne and Bob Sebbo.

I feel that Coach Osborne did a great job in training us because when we first came we didn't know how to perform as a team. The coach taught us the importance of teamwork.

John Wilson

Freshmen basketball members are (L-R, Back Row) B.Sebbo, T.Madland, W.Haskin, D.Merryman, B.Corington, M.Sutton and Coach Osborne; (Second Row) G.Bass, T.Lake, J.Wilson L. VARSITY SOCCER

"Soccer is the fastest growing sport in America," or so the Varsity Soccer team feels. A very large turnout of athletes convinced everyone of this new sports' potential. Coach Sweazy's goal was to establish soccer and to create a good nucleus for future teams. For this first year team the season had its ups and downs but was not disappointing.

The season started out great, but injuries and referees brought our winning streak down. We're all looking forward to next year and more winning!

Joe Mulligan

JV SOCCER

Endurance is a key word for every soccer player. Those on the JV team had this endurance, and that kept the team winning throughout the season. Next year's hopes are for establishing Freshman and Sophomore teams and letting soccer's new found popularity keep rising at El Toro.

We've really had a good season and I'm looking forward to a Frosh/Soph team next year.

J-U-M-P Jump higher!

VARSITY WRESTLING

The wrestling teams shared the expertise of Coaches Webber and Jones, who helped the wrestlers become aggressive and confident on the mat. Although injuries kept some Varsity wrestlers from continuing the season, the rest of the team stayed "on top" of things. One form used for competition was a look of pure meanness while quietly hoping for a quick, clean pin and being done with it all. Another form was the less aggressive but yet assertive approach, not coming on too tough but showing prowess at the moves once in action.

Wrestling, unlike football or basketball, is a sport in which a person does not have to be six feet tall and pure rhinocerous to be a good athlete.

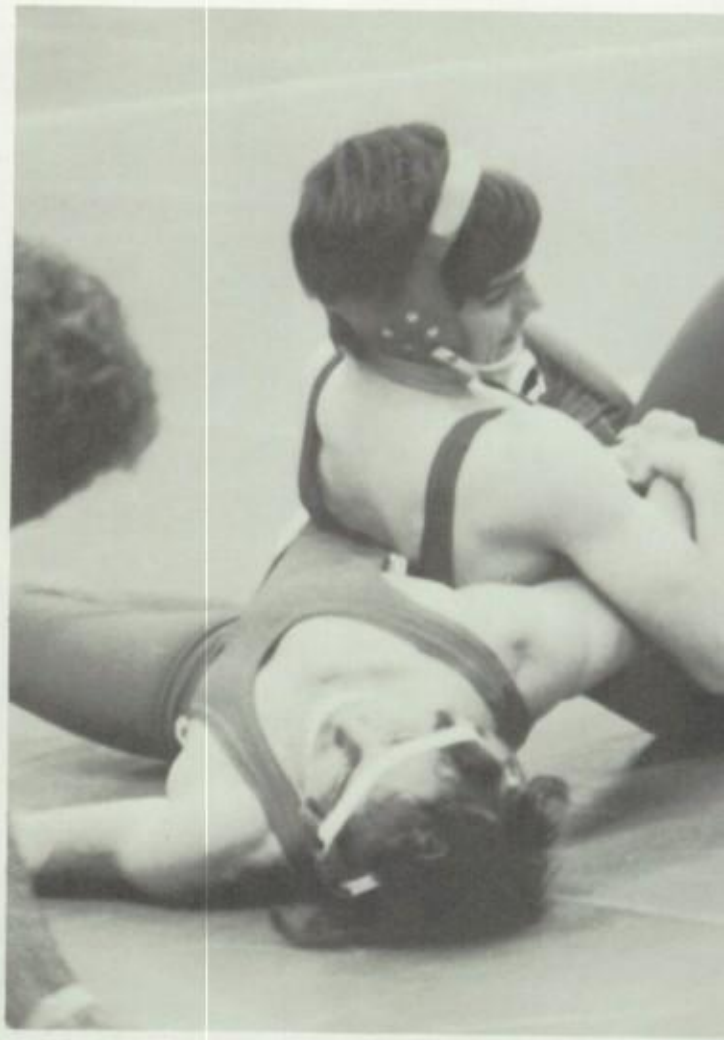
Byron Yafuso

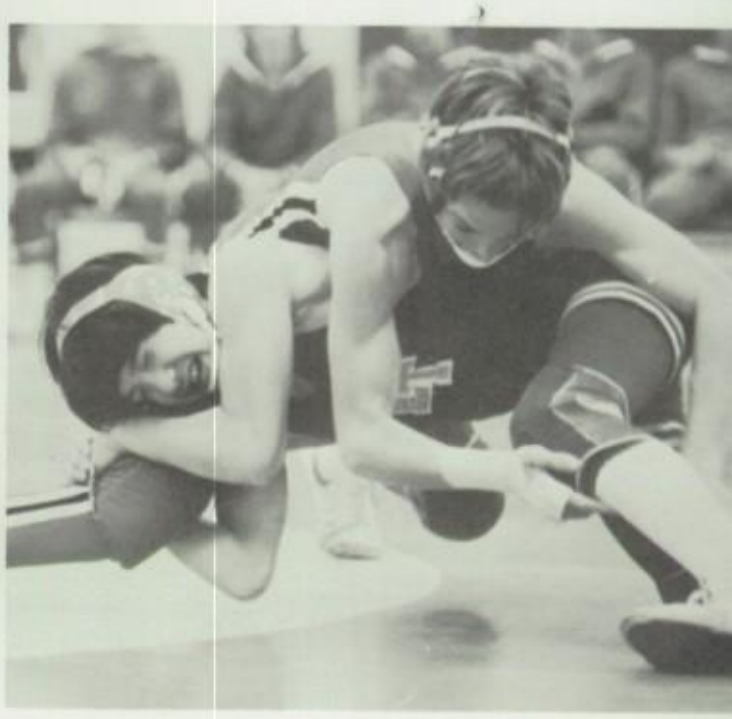
To be a good wrestler you must be aggressive, you have to want to DISMEMBER HUMAN BODIES.

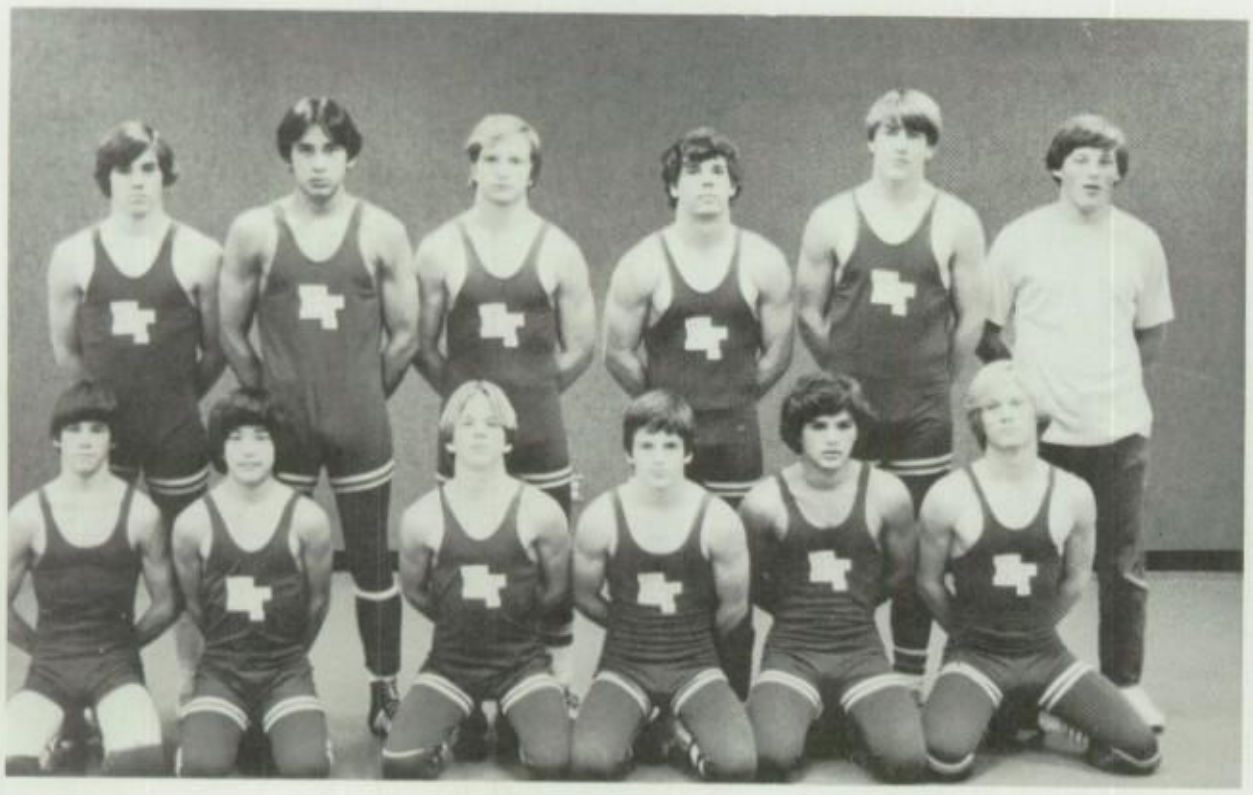
Duncan Taylor

I wouldn't give it up even if someone offered me a job raising man-eating, burping frogs.

Rick Sianez

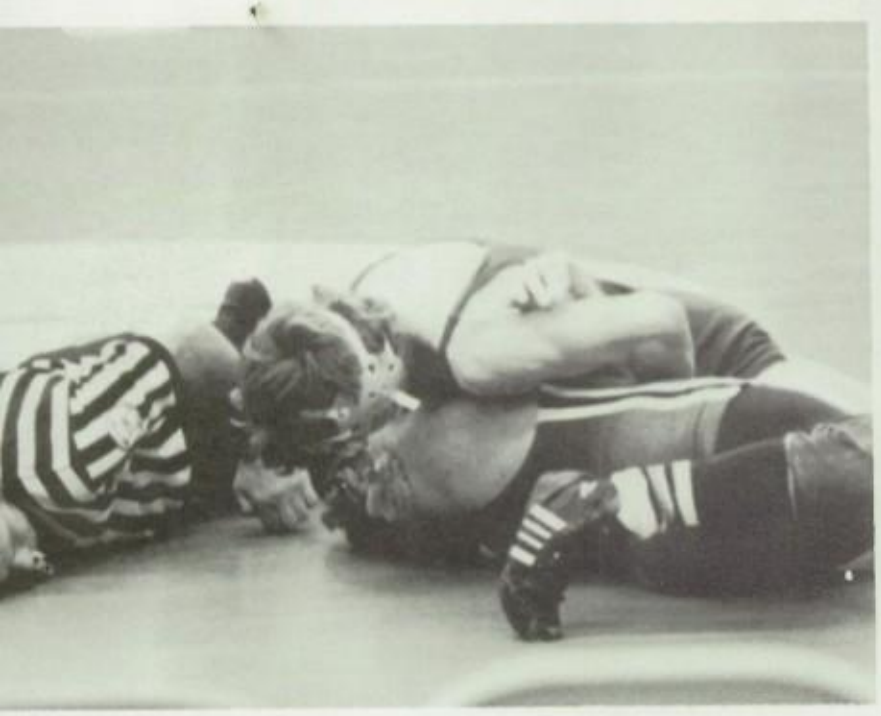






Varsity wrestlers are (L-R, Back) K.Barris, R.Sianez, P.Nieblas, M.Younge, M.Langlois and T.Albright; (Front) M.Patterson, B.Yafuso, M.Donohoo, D.Taylor, V.Castro and F.Pickel.

Coach Webber is engrossed in the match.



JV WRESTLING

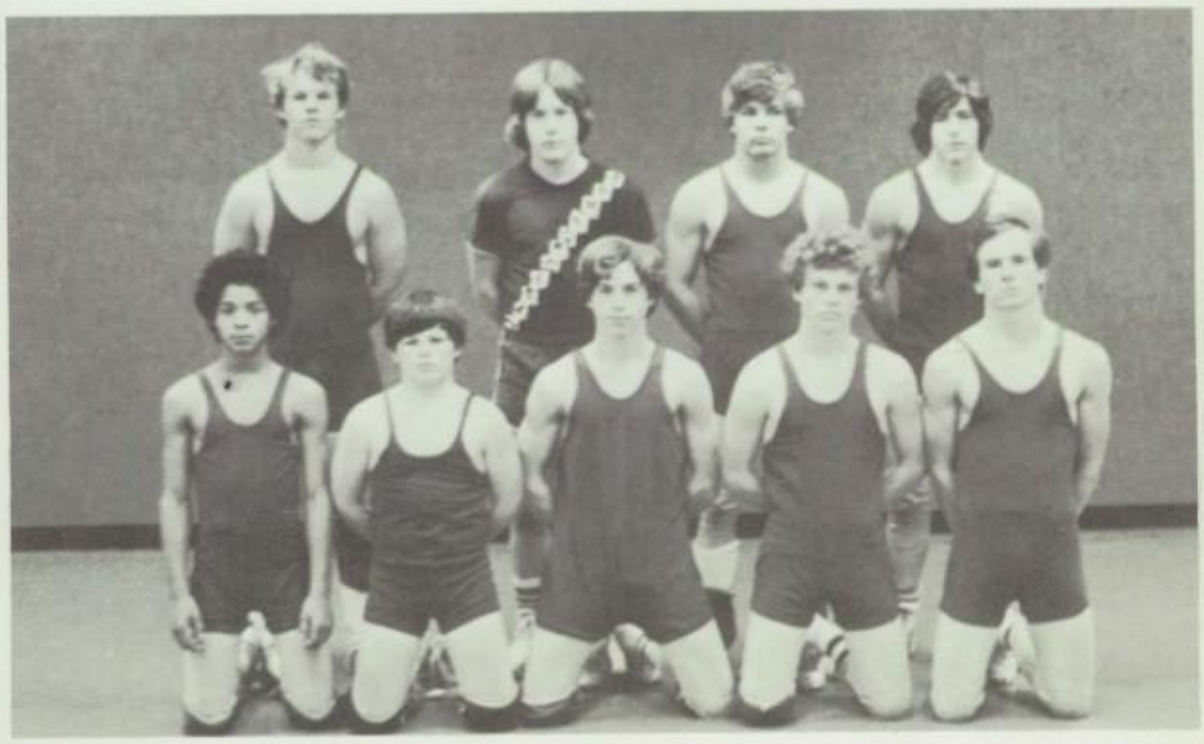
The JV's managed to pin and win often enough to end the season at the top of their league. Their forms were similar to that of Varsity as they met one-on-one with opponents. The wrestlers successfully concentrated on staying in control on the mats, although there were usually no spectators to cheer them on. While all three wrestling teams dwindled to a lesser number as the season progressed, the enthusiasm shown for the sport did not diminish.

It's not all fun because there's a lot of work you have to put into it, plus you have to sacrifice yourself and time for it. It makes you realize your abilities, good or bad.

Joe Bitsoie

I wrestle because when you're out on the mat you're alone, and its up to you to win—you have no one out there to help.

Mike Leaon



JV wrestlers are (L-R, Back) R.Nelson, P.Olson, B.Weaver and B.Shoemaker; (Front) T.Hernandez, T.Ming, R.Flourney, M.Leaon and J.Thayer.

Andrew gets 'em down!

FROSH-SOPH

The youngest squad of wrestlers has also come to distinguish itself at the top of its league. Doing well on the mats, the freshmen and sophomores have half-nelsoned and otherwise "wrangled" themselves to victory over their opponents. Perhaps this is the underclassmen's way of "constructively" using their brawn in a direct way.

I think that wrestling is a great competitive sport. It takes physical as well as mental aggression. When you're on the mat, there's no hiding.

Matt Raymond

The smell of sweet sweat in a 140 degree room is my idea of fun, like a lollypop to a 6 year old. I enjoy wrestling to its fullest, and I would be proud to take someone's arms and legs to win.

Keith Beres

Members of the Frosh-Soph wrestling team are (L-R, Back) M.Raymond, G.Sandling, R.S M.Peterson, J.Stein, K.Thompson and K.Reid; (Middle) J.Howell, J.Avella, K.Hart, K.Bere Gurley, T.Gross and J.Oakley; (Front) D.Warn, A.Conyers, E.Yafuso, R.Wheaton, T.Black D.Carey, G.Ovalle and S.Weaver.

GOLF

Improving as the years pass, the El Toro golf team, under the direction of Coach Ed Felix, worked very hard to keep a reputation in the world of golf competition. Seniors Steve Petralia and Jim Harbrick led the young team and established a basis for future play. The most consistent golfers competed for the six playing positions and for the chance to put El Toro into the playoffs.

Putting is 90% of the game!!

Dave McGuffin

In golf you play against the golf course, not the other player.

Mark Hunter

VARSITY SWIMMING

Combining a new pool with a lot of talent allowed the varsity swim team to be tough competition in all of their swim meets. Emphasis on individual strokes and techniques has helped the team as a whole develop into a competitive group of water-logged athletes. Jeff Wilson led the team through a winning season and then to a winning finish in CIF.

We have a great program and in a few more years we'll be the very best.

Rick Bauerman

J.V. SWIMMING

Working out six days a week, morning and afternoons, keeps the JV Swim team busy and winning. This year's team is made up of young swimmers who are very dedicated to swimming. Tony Choquehuanca, Bob Tuttle, Brad Richie and Matt Smith led the team to CIF. Qualifying in one or more events, these swimmers captured third in relays against eighty schools, and they can count on having the seasons improve in the future even so.

Swimming in our new pool is great. So is Coach Farris.

Glenn Awerkamp

VARSITY VOLLEYBALL

The Varsity Volleyball Team, coached by Mr. Tom Read, is beginning it's third season at ETHS. Gaining in popularity throughout the school and community, the team worked hard all season but lacked experienced volleyball players. Outstanding Chargers include John Lombardi, Matt Simpson and Mike Hill.

Volleyball is a growing sport, and even though I didn't play too much I still had a good time.

Pat Valdez

I've been involved with volleyball for a long time, but this was my first real "team" experience. The coaching staff was superb, and I knew we'd make it to the top!

Craig Bates

Members of the Varsity Volleyball Team Are (Standing; Left to Right) M.Hill, M.Hill, T. Rosenagle, M.Simpson and P.Valdez; (Bottom Row) J.Lombardi, M.Hoffman, C.Bates, B. Dievendorff and C.Rusk.

Mike puts one away.

JV VOLLEYBALL

Boasting a lot of enthusiasm and very good passing ability, the JV Volleyball Team looked forward to a good season and a high finish in league competition. Chris Taylor, Bill Tritt, Mark Walker, Ted Rosenagle, Joe Bitsoie and Trent Hamilton were only a few of the outstanding JV players. Coached by Mr. Renn Amstead, the team was composed of Sophomores and Freshmen which will make future hopes look even brighter.

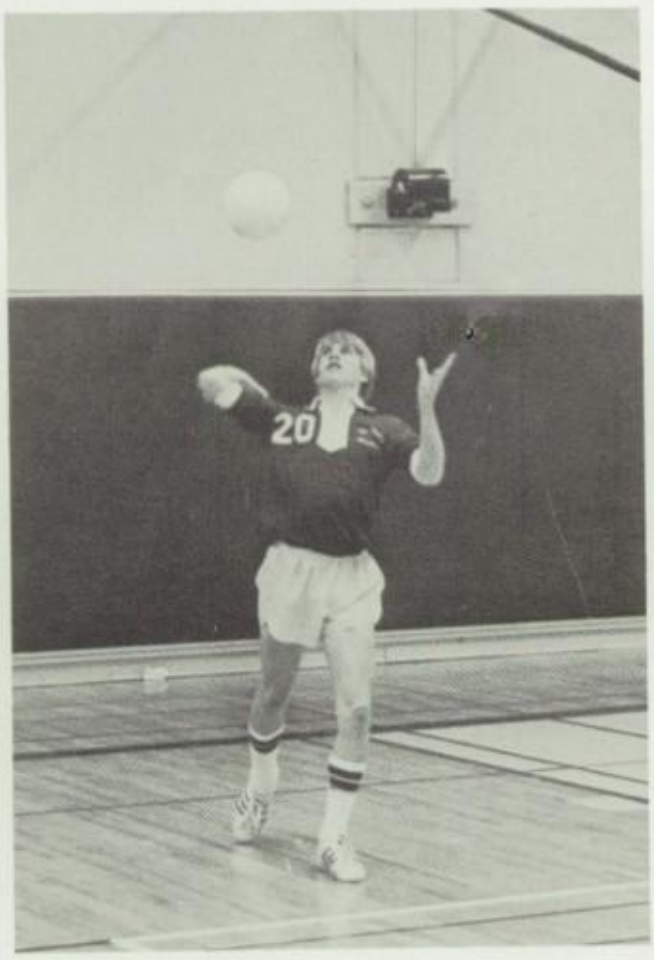
Volleyball is a great sport and I really enjoy playing the game. I think our team has the potential to go far.

Bill Tritt

Its a good sport and very popular. I think we will have two good teams next year.

Chris Taylor

Tritt gets ready to serve.



Members of the JV Volleyball Team are (Left to Right, Back) D.Niumatalolo, T.Rosenagle, M.Ulfsparre, M.Walker, R.Swigart and T.Hamilton; (Middle Row) M.Wilson, C.Formolo, S.Stephen C.Hall, J.Bitsoie and B.Tritt; (Front) R.Knight, T.Stepheny, C.Taylor and R. Tollie.

VARSITY TENNIS

Under the expertise of Coach Bob Johnson the Varsity Tennis players had the best pre-season ever and were confident of placing well in the tough South Coast League. The coach commented that all the teams are the best El Toro has ever had and cited Steve Trejo, the only senior, as being the most outstanding Varsity singles player. Gerald Hughes and Leonard Ricker were noted as strong doubles players. All of these Varsity tennis buffs are to be envied by those with "spaghetti wrists" and a tendency to hit the ball over both the net and the fence.

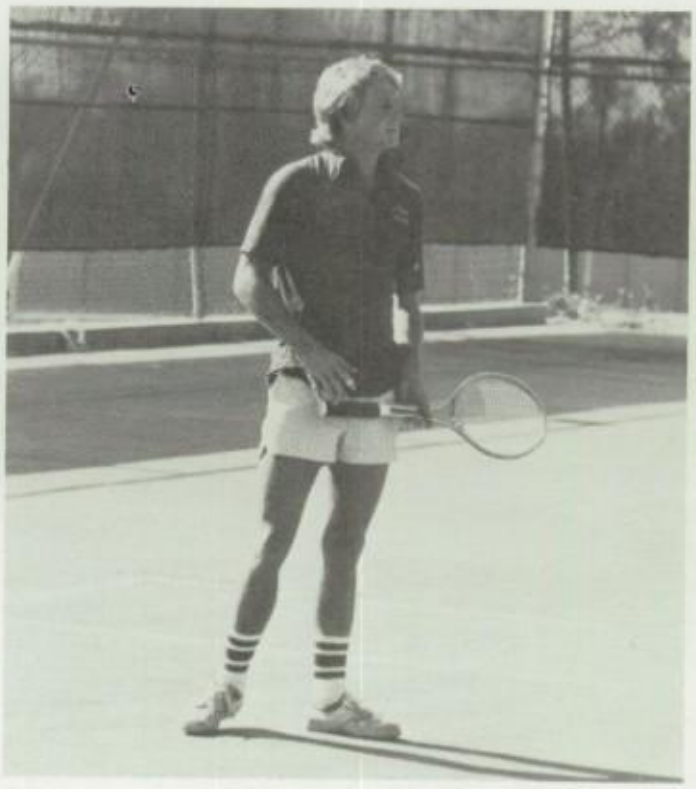
We've improved greatly since the beginning of the season, and our record really shows this. We are hopeful for this year and the coming years.

Gerald Hughes

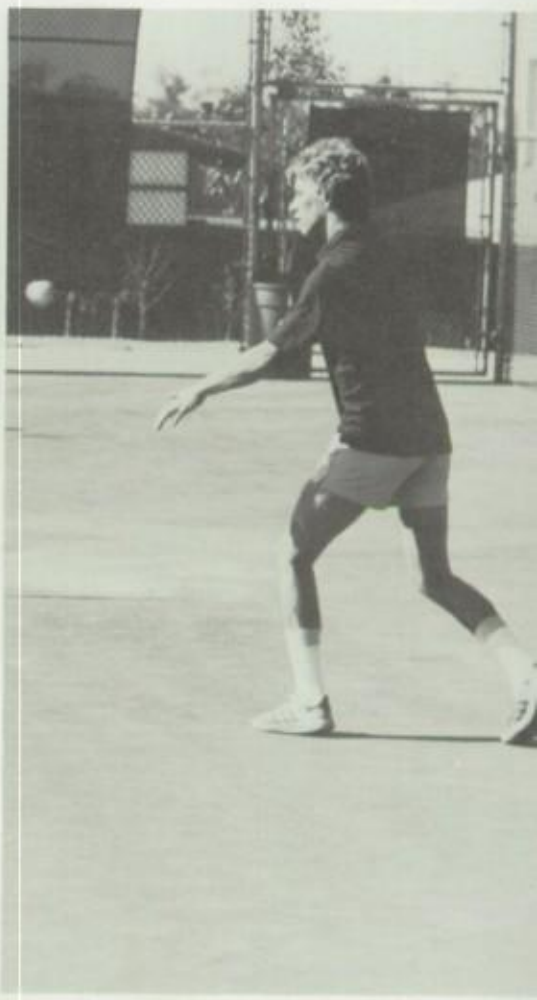
In the first eleven matches we have won nine, which is more than the last two seasons combined. Much of this success can be attributed to Coach Johnson.

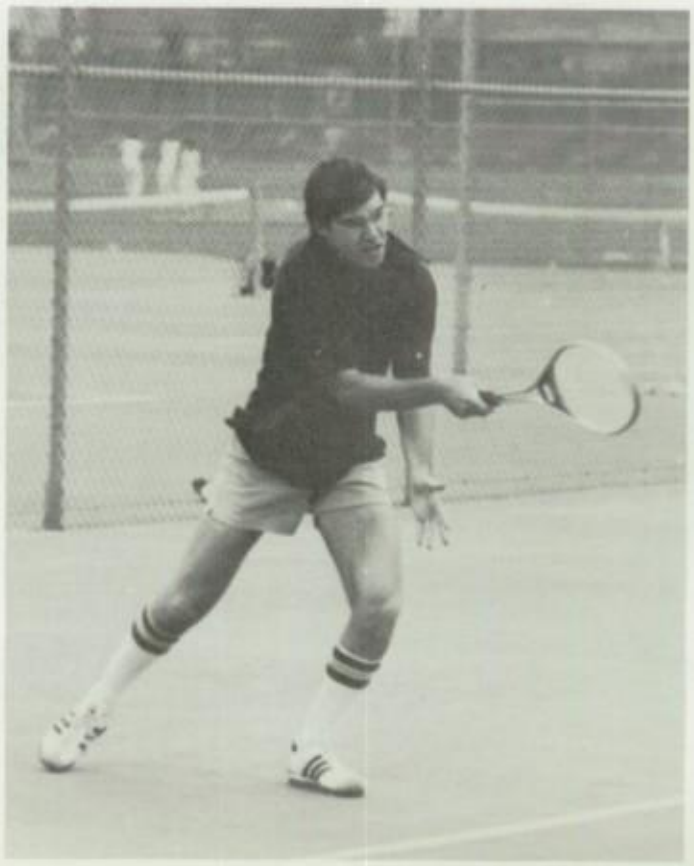
Leonard Ricker

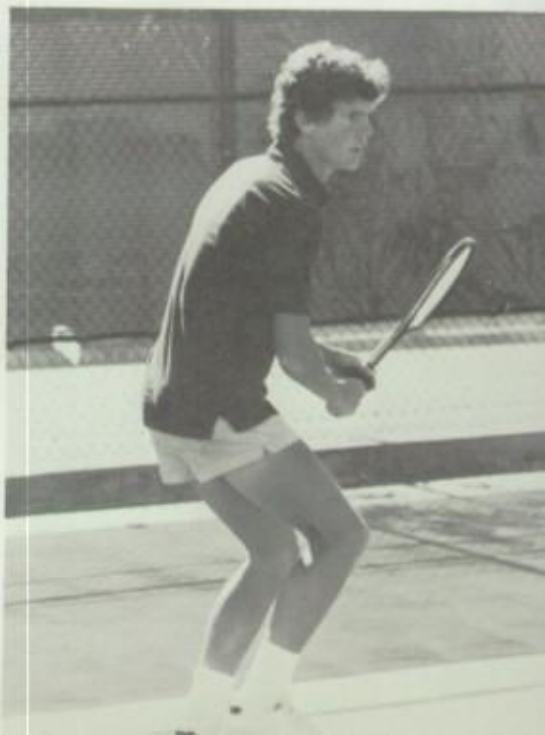
Members of Varsity Tennis Team are: (L-R, Back) L.Ricker, S.Hughes, B.Blood and S.Tre
(Front) P.O'Brien, J.Whitaker, G.Hughes and K.Brown.



"What do you mean, it's out?"







Rod retrieves the serve.

JV & FROSH-SOPH

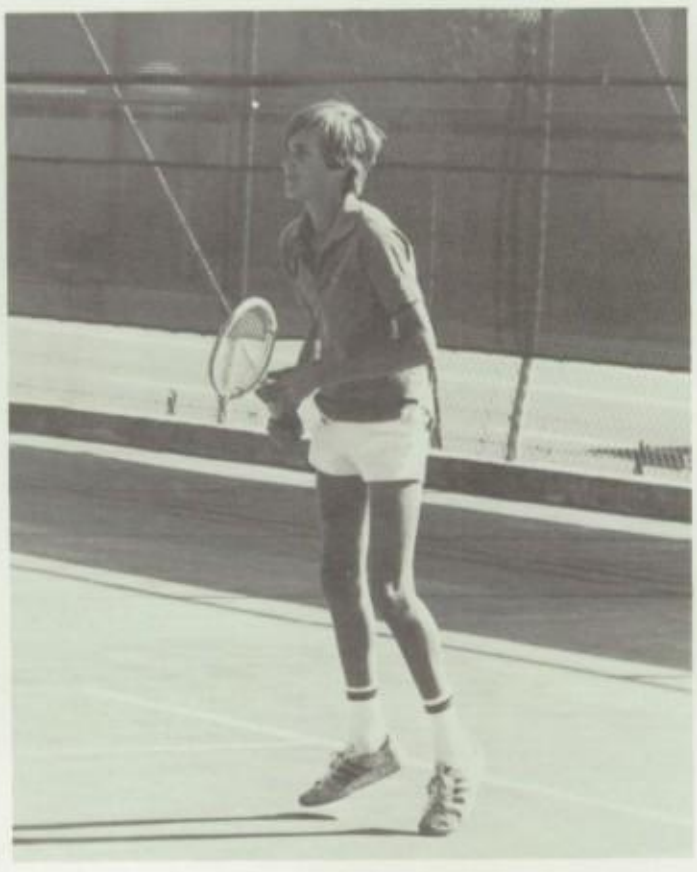
Also well-versed in their serving, back-hand, volleying and smashing skills are the JV and Frosh-Soph Tennis teams. They, too, are considered the best yet and are under Coach Al Jones. Dave Meisner (JV) and Troy Davis (F-S) in their singles playing and the doubles teams of Dino Vakoutis and Kent Jarrett (JV) and Mike Raring and Gary Callahan (F-S) were said to be representative of the good playing abilities of the players. These young participants play hard to win point, game, set and match of each competition in this popular sport.

The program is very well set up. I could sum up the program in one word, "Fantastic!"

Mike Raring

Members of the JV Tennis Team Are (Back Row, Left to Right) M.Churchhill, K.Jarret, R. Forbes and M.Pohlhammer; (Front Row) R.Knight, D.Vakoutis and G.Beasecker.

embers of the Frosh-Soph Tennis Team Are (Back Row, Left to Right) J.Dubose, Callahan, R.Annett, and A.Fisher; (Bottom Row) J.Martin, M.Raring, T.Waltman, d L.Mason.



VARSITY BASEBALL

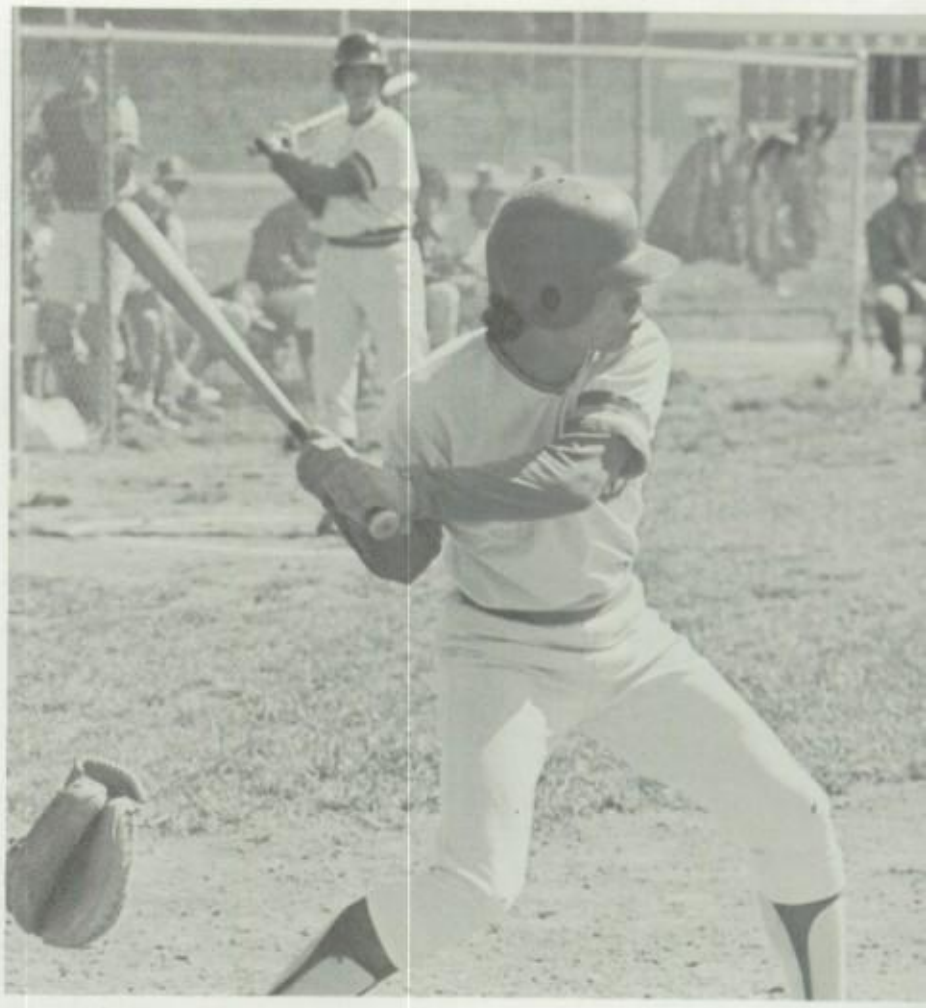
Combining a solid defense and sound pitching, the Varsity Baseball Team began a hard struggle for the top in league competition. Returning players Jeff Tolbert, Mark Kachelin and Bob Livesay added their past experience to the multi-talented team. A good double-play combination was found in Sal Grijalva and Mike Inglehart. A good team attitude continued throughout the season and kept these Chargers near the top in their league.

Baseball has been a major part of my life and I'm glad I've participated here at El Toro.

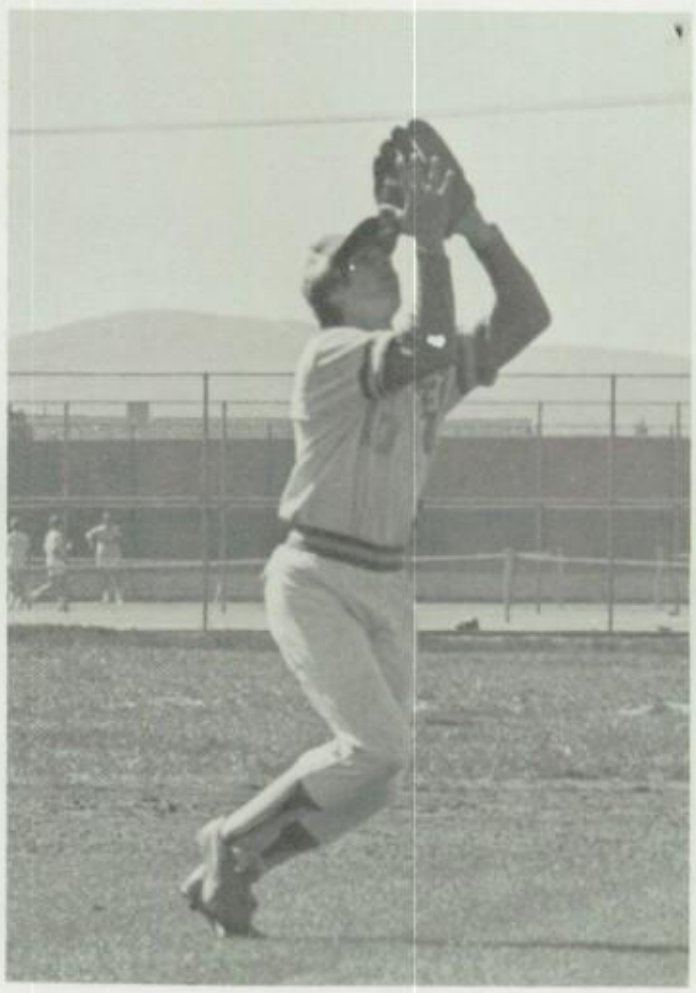
Ray Butera

I like playing baseball under Coach Reins and being with the great guys on the team. We have a winning tradition here at El Toro and I believe this years team will keep that tradition.

Sal Grijalva



"He's SAFE!"



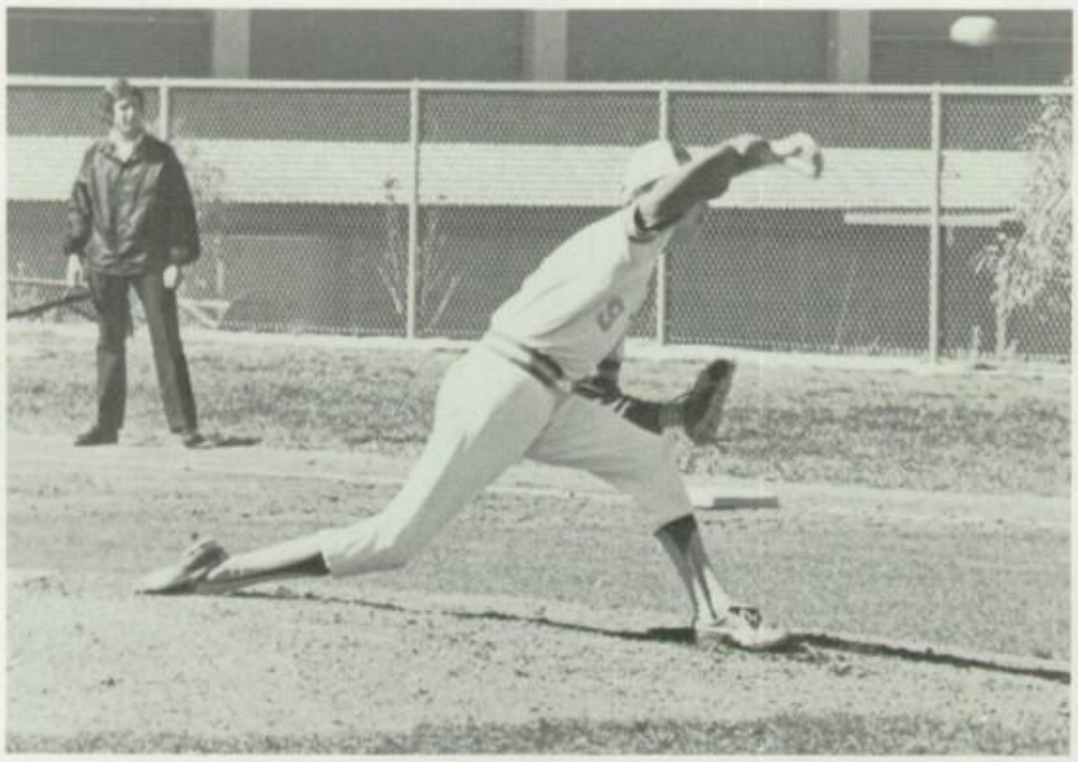
"Why don't they hit one to me?"

"PLEASE let me make it home . . ."

VARSITY, CIF BOUND . . .

Members of Varsity team are (L-R, Back) J.Leahy, B.Mosbaugh, R.Butera, C.Binder, B.Livesay, J.Tolbert, J. Bruner and R.Kaufman; (Front) M.Kachelin, S.Grijalva, S.Key, B.Craig, M.Inglehart, P.Changala and B. Briscoe.

"Come on, let's do a job out there!"



embers of the J.V. are (L-R, Back) D.Herman, C.Davis, B.Castle, W.Glison, R.Sianez and D. oach; (Middle) C.Boulter, M.Matranga, J.Gibbs, S.Pellettieri, C.Lewis, and G.Edwards; ront) J.Bryant, G.Beirdneau and D.Metzler.

JV BASEBALL

Coached by Mr. Jim Daugherty, the JV team concentrated on good defense and good pitching. Led by Rick Sianez and Robin Charles throwing in to catcher Chip Davis, the team was low scoring and worked hard to win every game. Other outstanding players included infielders Bob Castle and Gary Beirdneau. The team as a whole worked hard to make errors nonexistent. Gloves soon felt like second skins on their hands, and the bats felt like personal launching devices that sent the balls into space.

We are all a fun-loving group. We're all in this together, win or lose, and we help each other out.

Chip Davis

Our team gets along great, we have some real good times together, and the coach is good, too. We are going to go all the way this year.

Gary Beirdneau

"I said, we're going to win this game today."

FROSH-SOPH

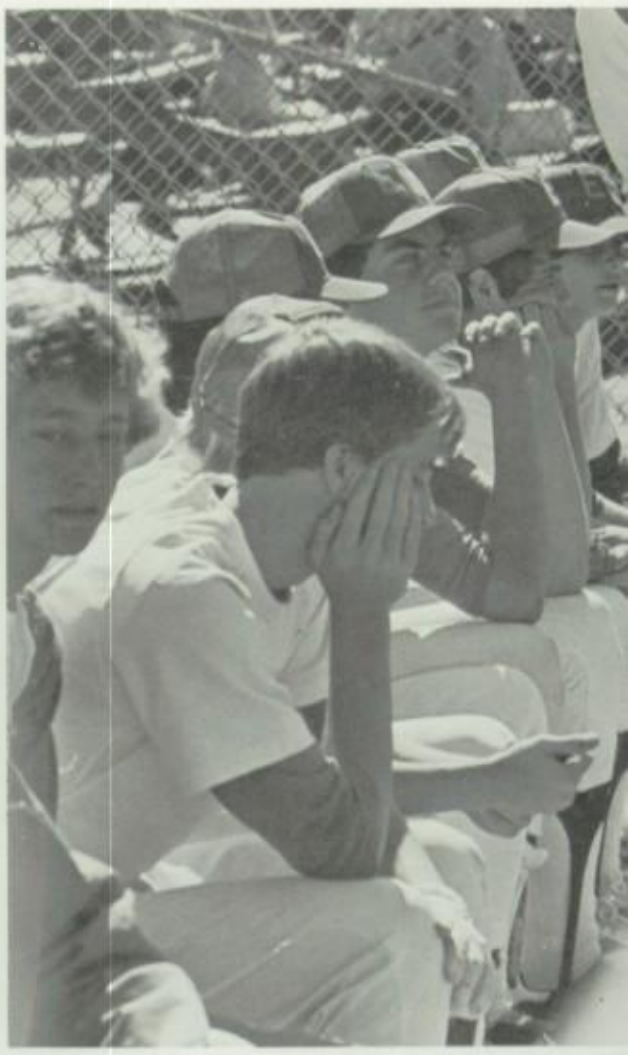
This year the Frosh-Soph Baseball Team finished the season on shaky ground but with valuable experience behind them. The team was composed of many talented players with strong points in pitching and catching. Coach Bill Rollins has high expectations for these aspiring new Chargers and foresees success in future years.

We had a pretty good year and I hope I get to be part of it next year too.

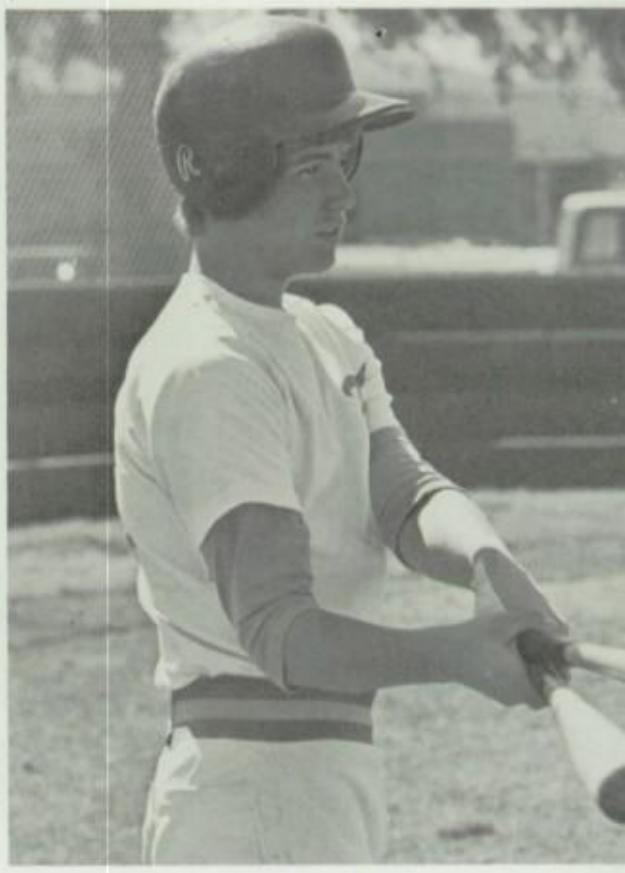
Sean Guerin

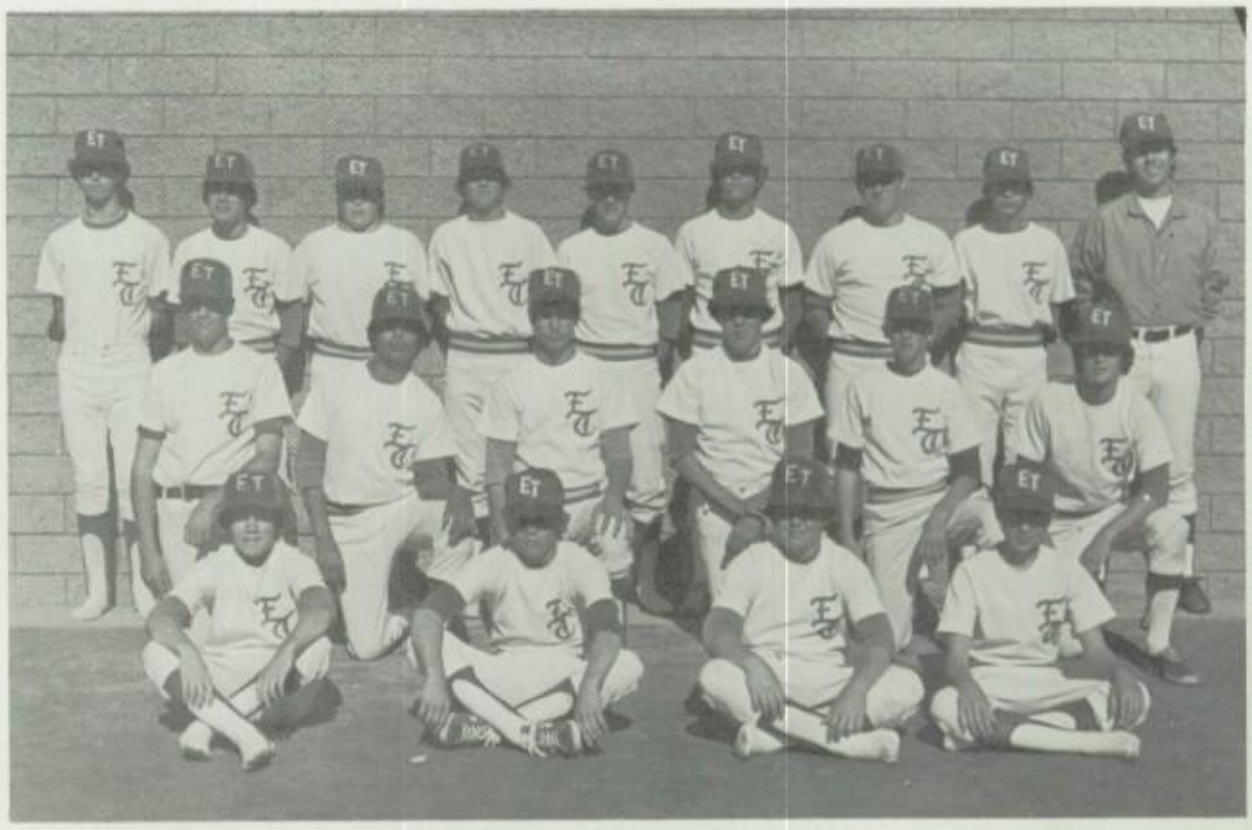
Baseball is a fun sport, and it's great except when it rains.

Doug Wells



Ramon steps up to bat.





Members of the Frosh-Soph Baseball Team are: (L-R, Back) T.Kobel, B.Montoya, M.Ramos, G.Robins, D.Key, J.Stein, R.Irwin, C.Hicks and Coach Rollins; (Second Row) K.Leahy, A.Calderon, B.Miller, G.Rayner, J.Tarney and T.Link; (Front) D.Wells, S.Weaver, S.Guerin and J.Rahn.

VARSITY TRACK

Headed by Coaches Nitta and Waddell, the Varsity Track team had a very satisfying season, as did the other two track teams. There were only eleven seniors out of the more than 100 track members, which will be a helpful factor in maintaining the level of performance shown by the Varsity members this year. Some of the team noted by Coach Nitta were Hector Avella, Sean Flynn, Mark Concar and Art Gourdine, who, along with the 440 relay team and the pole vaulters, have shown good form out on the track and field.

Track, for me, is great because you can compete with the team and on your own. I would like to say thanks to Coach Nitta for all the help in the high hurdles and the lows. He has always been patient with me and all the other runners.

Art Gourdine

Armstrong, leader of the pack.

Members of Varsity Track Team are (L-R, Back) C.Dimento, M.Concar, M.Sachs, T.Manion, J. McFadden, D.Merryman, R.Gerrardo, J.Peavy, K.Schmidt and B.Russell; (Middle) A.VanWie, J.Mulligan, P.Guerrero, M.Donahoo, H.Avella, B.Fairbrother, J.Schnieder, B.Valdivia, V.Castro and M.Honivar; (Front) D.Ebbert, G.Warner, D.Drimil, A.Gourdine, R.Brown, C.Strausheim and G.Stanley. Not Pictured: D.Changala and S.Flynn.

JV TRACK

The JV Track team also enjoyed the many forms of track and field activities, from hurdles to relays to pole vaulting to discus throwing. Each person in track can compete in a particular event - or events - that best gratifies and suits his skills and taste. Those on the JV team were not a wholly separate group in skills, but rather an intermediate junction between the Varsity and Frosh-Soph teams.

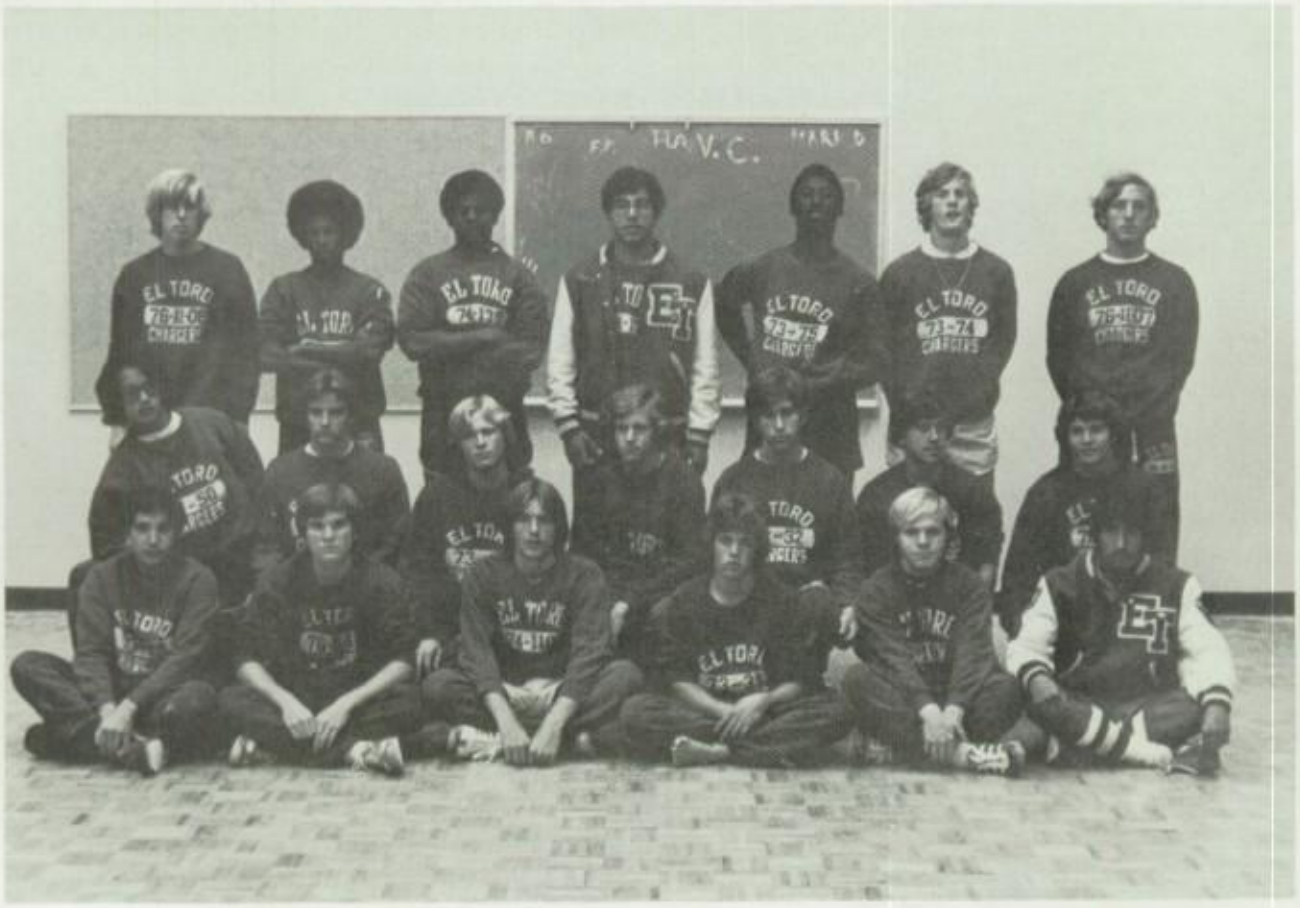
The questions are "What's the work-out for today?", and "Why is the temperature always below freezing at meets?"

Jim Armstrong

Running JV is fun because you can't lose. I enjoy it, and I think we have a good team because of our depth. Hopefully our 440 relay team will go undefeated.

Ron Kemp

Brian, starting the race.



Members of JV Track Team are (L-R, Back) B.Rundquist, B.Carter, A.McCullogh, B.Zahedi, M.Taylor, K.George and B.Weiss; (Middle) F.Arroyo, J.Tonini, F.Pickel, M.Carlucci, D.McKenzie, B.Bowen and T.Smyth; (Front) T.Moore, R.Kemp, K.Singleton, S.Johnson, J.Armstrong and R.Juck.

FROSH-SOPH

The team that came very close to being league champs last year and had it in sight again this year was the Frosh-Soph Track team. Undefeated at mid-season, the members were all in top condition in their meets, showing form that should hopefully transfer into a terrific Varsity team in the near future. Many of the team members are the finest participants in track and field in the league for their events and are a primary force in the success of the team as a unit.

Track is pretty good, but the only thing I don't like is those Monday practices.

Brian Emerson

This year's track team was pretty well-balanced. Track is not really a one-man sport; it takes people to motivate others into doing their best. A lot of people improved greatly as the season progressed. Next year on the Varsity level, El Toro will be up with the rest for the track title in the South Coast League.

Glen Baker

embers of the Frosh-Soph Track Team are (L-R, Back) A.Changala, T.Navaro, L. itchell, B.Hess, B.McCoy, A.Dick, M.Grijalva, J.McFadden, L.Harris and S.Kaelein; (Second Row) S.Zappia, G.Bass, J.Salgade, J.Gibbs, A.Jacobo, R.Barns, T. arrelson, P.Gentry, J.Duval, B.Berger, S.Brown and B.Pennington; (Kneeling) B. afuso, R.Smith, R.Patnode, B.Ring, T.Hernandez, C.Defranco, M.Peterson, S.Mcenzie, R.Thompson, D.Hedlund, E.Klug and E.Yafuso; (Front) A.Conyers, C.Gur, B.Emerson, M.Steele, G.Baker, P.Stiver, B.Weaver, M.VeraCruse and S.Armong.

El Toro High School has been fortunate enough to have an excellent, efficient group of men and women who have exemplified and elaborated on the meaning of the word "administration." Graduates and Seniors can attest to their dedicated efforts in preparing them for life outside of high school, both on an academic and on a personal basis. The administration has seen to the needs and wants of a growing school and yet has also found time to show interest in the individual student. Encompassing the counseling, career, library and special programs aspects of the school the administration is continually in close contact with the students whom they serve.

CLERICAL

The clerical staff does more to contribute to El Toro High School's smooth functioning than type, keep records, and make appointments. From their various positions in the main office they inspire and promote spirit and personal interaction by participating in both student and faculty activities during the year. The staff acts as middle ground, playing an important role in the entire administration's operation and, also, being on a close level with the students through daily involvement with them.

SERVICES

All those who work under the heading of Services sustain those aspects of the campus which require non-educational or non-administrative attention. The custodial staff is greatly appreciated for its efficient and congenial work in keeping facilities clean and functioning. The food services staff is likewise known for the organized and friendly manner in which they operate the station responsible for sustaining many a student during his almost seven-hour stay in school each day.

ENGLISH

The English Department is one of great caliber, in which each staff member incorporates innovative and enjoyable approaches to the instruction of English, whether fundamental or college preparatory. Along with the great supply of knowledge available from the staff comes a great variety of humor and wit. This combination has made our English program what it is today. First and foremost, however, is that the knowledge taught is a basis for the future, no matter what the career or lifestyle.

ART

Almost every student in high school enters the world of the Art Department at some time. After this first experience, he can stay from one semester to four full years. Many students are found to be budding artists, taking after those great masters Picasso, Michelangelo and Shultz, but everyone enrolled derives satisfaction in the creation of a completely personal work of art. Within that person there will be awakened an everlasting appreciation for the aesthetic in all forms, thanks to the Art Department.

FOREIGN LANGUAGE

The importance of learning other languages is obvious when one realizes there are many other nations in the world. Along with the languages of other countries, students also get to know a little about the people and customs of foreign lands. The Foreign Language Department is drawing more and more students to it, thanks to the challenging and informative curriculum it offers.

The Sophomore year of every student includes two courses which serve to prepare and inform the student on two immediate concerns, his health and his driver's license. Health involves the student in a study of his physical well-being through learning about his body functions, the abuse of drugs and first-aid procedures. Driver Education is taken in conjunction with Driver Training as requirements for the eventual acquiring of a driver's license. Driver Ed covers automobile operation and driving laws, regulations and techniques.

READING

Reading is an activity many students would rather not have to do if given the choice, but the Reading Department is here to change all that. Courses range from help with reading difficulties to reading for enjoyment. Through various methods of inducement, the staff helps the students learn to read with confidence and ease, and to enjoy reading for its own sake. We students may never feel inclined to finish off a whole library, but at least we will not feel uncomfortable when faced with pages and pages of white with small black print.

BUSINESS

The Business Department offers a variety of courses in which any student may find an interest. Typing, shorthand and accounting are available for those planning to go directly to work. College-prep students will find speedwriting a course that will really help in their note-taking abilities. HOME EC

The Home Economics Department provides a wide variety of courses for the aspiring host or hostess. A large number of classes is offered from the very basics, such as cooking and sewing, to classes on single living. Home Ec. prepares those students for the not-so-distant future, when they are all alone to fend for themselves, so that they may be one step ahead in the game of life.

GIRLS' P.E.

Various recreational activities are available to girls during the year in the Girls' Physical Education Department. The choice of activities available to each girl ranges from coed skateboarding to dance or flag football. The different sports promote healthy exercise by providing a chance in the school day for each girl to actively participate. Girls choose a different activity every 3-4 weeks so they can take many different sports in one year.

The sports offered through the Boys' Physical Education Department are as diverse as possible, offering competition to those boys not already on any CIF team. Daily calisthenics, in addition to the sports, contribute to good health as well as providing an outlet for the aggressions built up during the hours spent in the classrooms. Units also last 3-4 weeks and include sports like co-ed volleyball, racquetball and weightlifting. The completion of the new pool added water polo to the units offered.

SPECIAL ED & LAW AND YO

There are two programs which provide special instruction to students who want or need what they offer. Special Education involves aid for those who have not been able to fully meet their potential. Enrollment in this program lasts until full participation in the regular curriculum is possible. Law and You is a course in which laws of all levels of government are studied with an emphasis on their background, purpose and enforcement.

SCIENCE

This year the Science Department has again expanded in order to handle the large increase in its enrollment. To many the word "science" brings to mind a dark laboratory, a white lab coat and adventures with electricity, but the Science Department consists of more than a Hollywood production. It provides courses in all fields of science, and it has a staff that is eager to provide students with, "the ability to appreciate the intricacy and the order of the universe," according to Mr. Randy Kent.

CLASSES

SENIORS

The Seniors' culminating year of high school had both the old and familiar and the new and memorable. Dances, sports and finals were all old hat to the Class of '77, but Baby Day, Senior Week and commencement exercises were all firsts. Known to be less than passive, the Seniors did not disguise their excitement over the prospect of freedom after a twelve-year term in the educational institution. Many will now be leaving for college or for work, but all will take with them their memories of these past four years. They leave behind them a legacy of fun and frustration to the underclassmen.

JUNIORS

This year many changes have taken place in the Class of '78. The Juniors have emerged sure of where they are going and not willing to stop until they get there. By operating the snack bar at home football games and by promoting school spirit through a blue and gold carnation sale, the Juniors helped supplement their growing treasury. Other activities included holding a '78 beanie sale and planning the Junior-Senior Prom. The Juniors are showing that they are ready to move up and take over when the Class of '77 graduates.

SOPHOMORES

This year's class of "wise fools" showed great spirit and potential in their second year of high school. While not yet upperclassmen, they were the upper of the lowerciassmen and acted as such, setting themselves up as shining examples for the Freshmen Class. Under the guidance of enthusiastic advisors, the Sophomore Class of '79 sponsored such events as the Sadie Hawkins Dance to help build a strong financial base for future endeavors. Continuing with the upward strides begun in their first year, the Class of '79 is sure to confirm their exclamations that " '79 is fine!"

FRESHMEN

Being a Freshman means something different to each of us. It usually symbolizes a new beginning with a somewhat shaky existence, but this year the Class of '80 is showing us that they are not what you might call "typical" Freshman. Participating in Spirit Week as Cowboys and Indians the Class of '80 showed us their true spirit. This first year, as we all know, is one we hate to see end, but to the Freshman Class of '80 it means looking forward to three more years of high school life.

Congratulations

to the Class of 1977

Bob,
well, you know
what I think about you
but there is one complication!Ha!
as long as you know what that is what
counts. You are hell of a guy and
I will miss seeing you everyday. I
know I'll see you around and you are the
one that I hope - that has a beautiful
life. I know you will. I bet you
think I'm crazy but only and
for. just remember what I think
about you and don't forget it.
Love always
J.B.

What can I say to someone who always yells at me? I'll miss bugging you in class & writing on your back. (I know you didn't mind) I'll never forget your blue California shirt. Make the best of your life & always be happy with yourself & whatever you do. I'll see you around alot I know! Good luck with all the girls & Karen (you know I'm really mushy inside) in your way darling) Keep in touch & take care.

The yearbook of 1976-77 is an invitation into the students' world. The yearbook staff has chosen to capture our everchanging campus life. It is a world of learning, sharing and growing. It is a time in our lives which will prepare us to meet future challenges and will form tomorrow's world. We would like to thank those who have helped us in creating this glimpse into the past year at El Toro High School.
